Broken Arrow Municipal Authority
Meeting of: 10-6-2020

Title:

Approval of and authorization to execute an agreement with Garver, LLC to provide Professional Engineering Services for the Water Distribution Corrosion Control Study Project (Project No. 2154100)

Background:
The Oklahoma Department of Environmental Quality (ODEQ) requires the completion of a Corrosion Control Study to be submitted to ODEQ on January 1, 2021. Garver, LLC will evaluate the City of Broken Arrow's water distribution system and complete the Corrosion Control Study. It is anticipated that an amendment to this contract will be required to develop a corrosion control treatment plan which would include system testing and a plan for a capital improvement project at the Verdigris River Water Treatment Plant.

The design fee for this project is $48,200.00. Funding for the project will be from the Utilities Department Operations and Maintenance (O&M) budget.

Cost: $48,200.00

Funding Source: Utilities Department O&M Budget

Requested By: Charles Vokes, Utilities Director

Approved By: City Manager's Office

Attachments: Agreement BAMA Project 2154100

Recommendation:
Approve the Agreement for Professional Engineering Services to Garver, LLC for the Corrosion Control Study

Project and authorize its execution.
