Title:

Acknowledgement of submittal of the Broken Arrow Municipal Authority's Water Supply Report for the month of September 2019

Background:
In an effort to provide the Authority and the Public more information with respect to our community's water usage, the Utilities Department staff has prepared a Total Water Supply Report that records total daily water usage, as well as monthly water volume delivered to the community.

The Average Day usage through the end of September is 13.1 MGD. Total water treated at the plant up to the end of September is 393.3 million gallons (MG). Total water purchased from Tulsa for the month of September is 5.7 MG.

This report will be updated on a monthly basis. Staff recommends the Authority acknowledge submittal of the Report.
