# CERTIFICATE OF RECOGNITION

IN HONOR OF

## DAVID HEARD

While on duty on Wednesday, March 5, 2025, David Heard noticed an American Flag laying in a driveway. He also observed that the flagpole was broken. Without hesitation he took the personal initiative to pick the flag up and take it to the front door of the residence to advise the owners that their flag had fallen. Mr. Heard's patriotism and selfless service does not go unnoticed by the homeowner, City Council, or the Administration. Neither does his act of going above and beyond as a city employee.

Thank you for going above and beyond to help Broken Arrow be a great place to live!
