Dear Mr. Daroga,

On behalf of the Broken Arrow Chamber and Economic Development Corporation, I am pleased to support the adoption of the BA NEXT Comprehensive Plan.

The draft plan was developed with extensive research, technical analysis and an enormous amount of community participation and knowledge. It includes goals and policies that set specific directions for future decision makers. It includes an Urban Design framework as well as a list of significant projects to direct major investments in public infrastructure -- like streets, sidewalks and parks that keep Broken Arrow safe, mobile and healthy.

The Broken Arrow Chamber and Economic Development Corporation are aligned with the City of Broken Arrow's vision outlined in this plan that will carry our community forward.

Sincerely,

Jennifer Conway
