EMS CONTRACT AGREEMENT FOR July 1, 2024 - JUNE 30, 2026

This agreement is entered into between CENTRAL TECHNOLOGY CENTER, DISTRICT #3 (hereafter referred to as CENTRAL TECH) and CITY OF BROKEN ARROW to conduct planned clinical experience for students enrolled in the Emergency Medical Technician program. After the initial term, this Agreement shall automatically renew for successive one (1) year periods unless one party notifies the other, in writing, at least thirty (30) days in advance, of its intent to terminate this Agreement. The purpose of this agreement is to guide and direct a working relationship between the clinical site and the training institution in providing clinical learning experiences for the training institution's Emergency Medical Technician training program.

Students are urged to carry suitable hospitalization insurance. They will not be covered by sick benefits provided employees of CITY OF BROKEN ARROW. Each student is covered by liability insurance before entering the facility for clinical experience.

It is anticipated that no more than one (1) student will be in the facility at one time. The hours of assignments will vary in accordance with the needs of the students. It is anticipated that a student will be in the clinical area for either an eight (8) hour shift or for a twelve (12) hour shift.

If, while at the clinical site, a student's behavior is deemed unsatisfactory, the student should be asked to leave and the Adult Career Development (ACD) District Director should be notified immediately at (918) 352-2551, ext. 207. Action will be taken immediately to resolve the situation.

Opportunities in the vocational training program are provided to all students without regard to race, color national origin, age, sex, or qualified disability.

CITY OF BROKEN ARROW will accept, assign, and otherwise treat student trainees without regard to race, color, national origin, age, sex, or qualified disability.
