Title: Public hearing, consideration, and possible action regarding PUD-257, Commerce Crossing, 2.98 acres, IL to IL/PUD-257, south of Albany Street, one-quarter mile west of Olive Avenue

Background:

Applicant: Mark Capron, Sisemore Weisz & Associates, INC
Owner: Kansas City Life
Developer: Kansas City Life
Location: South of Albany Street, one-quarter mile west of Olive Avenue
Size of Tract: 2.98 acres
Number of Lots: 1
Present Zoning: IL
Comp Plan: Level 6

Planned Unit Development (PUD) 257 involves 2.98 acres located south of Albany Street, one-quarter mile west of Olive Avenue. The property, which is zoned IL, has been platted as Lot 1, Block 1 of Commerce Crossing.

PUD 257 is a request to add an additional access point at the northwest corner of the property onto west Albany Street. No other adjustments to the zoning ordinance are being requested.

The current zoning code (Section 5.3.B.3.b) requires a separation of 250-feet between curb cuts. In addition, any curb cuts shall be either aligned with or offset at least 200-feet from any curb cut on the opposite side of the arterial street when a raised center median within the arterial is not present.

The proposed driveway would be located 305.10-feet from N Sweet Gum Avenue to the east and 50-feet from the drive immediately west. The proposed driveway aligns with the existing drive across Albany Street.

Recommendation:

Based on the Comprehensive Plan, the location of the property, and the surrounding land uses, Staff recommends that PUD 257 be approved as presented. Since the property is already platted, Staff recommends that platting be waived.
