# Powwow Budget Report

This budget outlines the projected expenses and revenues for the upcoming Powwow. The expenses include staff, contests, community dinner, security, and marketing efforts to ensure the event runs smoothly. Revenues consist of funds already earned through fundraising and vendor fees, as well as expected revenue from an additional fundraiser, vendor participation, and entry fees. Any surplus funds after covering the Powwow expenses will be directed towards supporting future Powwow events and/or providing assistance with client expenses as needed. This ensures sustainability of the event while also reinforcing our mission to serve the community.
