RE: 9TH STREET WIDENING ELGIN TO EL PASO-PROJECT # ST1210
PROPERTY ADDRESS: 1001 Wesley Drive

Dear Ms. LaFaver:

This letter is to notify you that the City of Broken Arrow has completed the design phase and is beginning the right-of-way acquisition phase on the above referenced project. Based on the design plan, it has been determined that property you may own or have an interest in could be affected by the new right-of-way requirements.

Widening South 9th Street (177th E. Ave, S. 9th St) from East Houston Street (E. 81st St South) to north of East Elgin Place is a street improvement funded by 2011 and 2014 General Obligation Bonds for Streets. The bonds have been sold for engineering, right-of-way and relocation of utilities. Bonds will be sold for construction in a future sale.

The project will start at the intersection of South 9th Street and Houston Street and end just north of Elgin Place. South 9th Street will be widened from the current two (2) to five (5) lanes; creating four (4) through drive lanes and a continuous left-turn lane. Five (5) foot wide sidewalks will be constructed on both sides of the street. In most areas, a grassed area will be left between the sidewalk and the right-of-way line when construction is completed.

Improvements also include curbs, gutters and underground storm sewers, increasing the total roadway width from the current twenty-four (24) feet to approximately fifty-eight (58) feet. The roadway improvements may require the acquisition of additional permanent right-of-way, utility easements and temporary construction easements. A map showing the proposed roadway imprint is enclosed with this letter. I can be contacted at 918-259-2400 extension 5438.

The City of Broken Arrow has contracted with Mr. John Story, of Story & Associates to provide an independent real estate appraisal as it pertains to your property in order to establish fair market values for acquiring permanent right-of-way or easements for the above referenced public project. Mr. John Story will contact you on the City's behalf in the next few weeks to arrange a time to inspect your property. You are allowed to accompany the appraiser, and he can answer any questions you may have at that time. His office number is 918-610-1135.

Respectfully,
CITY OF BROKEN ARROW

Dear Mr. & Mrs. LaFaver:

RE: 9TH Street widening Elgin to El Paso-ST1210-Parcel #47

The City of Broken Arrow appreciates the time and effort you have expended on this matter. Unfortunately, to date, we have not been successful in our negotiations with you. Due to project time constraints, the City is required to proceed with the acquisition of the total take of your property necessary for widening of 9th Street.

The City of Broken Arrow sent you an offer letter on June 6, 2016 in the total amount of \$72,500. Please consider this the final offer that will be extended to you by the City of Broken Arrow. If you do not respond to us within 10 calendar days of receipt of this letter, this matter will be turned over to the City's Legal Department to file a condemnation case in District Court.

We hope we can settle this in a friendly fashion and the City will continue to negotiate with you until the Commissioners are appointed for the site visit. I can be contacted at 918-605-1436 if you have any further questions.

Sincerely,

Mike Craddock
