## Work

Dear Mr. David

I am pleased to give you a cost for the cleaning requested in our walk thru..

1. **Parking lot** Pick up and removal of all loose gravel- and pressure wash all hard concrete surface (job to be done while 100% dry for better results) total price for this is \$1200.00
2. **Painting** North side wall paint to match original paint color \$250.00 labor only we will provide material.. YOU will need to buy Paint. I recommend buying a 5 gal bucket. You can let me know I can always pick up the paint if that makes it easier for you..
3. **Interior** Cleaning of all interior , dust, wipe everything down, cobweb removal , sweep and mop floors, wipe all shelves and equipment. Total price for this is \$1350.00
4. **Graffiti** I have a few chemicals in mind to soft down the paint then wash it off with the pressure washer. If I can take it off it will be \$150.00 ..if the paint will not come off completely there will be a chemical fee for \$60.00. I do not guarantee it will work however most of the times I can get it off..
