

Bid 26.125 - 4th & El Paso Waterline Materials	Bidders					
Description: This will be a materials purchase agreement for waterline components. The awarded vendor will supply all materials specified in this solicitation, which may include piping, fittings, valves, and other related items necessary for waterline infrastructure. Pricing shall be based on unit costs as listed in the vendor’s bid. Payment will be made based on actual quantities delivered, subject to inspection and approval to ensure compliance with applicable specifications and standards.
