

**PETITION IN OPPOSITION TO ZONING CHANGE**

We, the undersigned residents of the area of 129<sup>th</sup> East Avenue (Olive) and 131st Street South are very much opposed to the zoning change of the property located on the southeast corner of 129<sup>th</sup> E. Ave. and 131st street south in south Tulsa County. We believe that this area should retain its current zoning status of 'agricultural'. Our main reasons for this belief is the fact that these two above mentioned roads are just 2 lane roads that are not capable of handling the traffic that we already have, due to the recent construction of a large school midway between Garnett and Olive. Thus, resulting in heavy traffic before and after school on 131<sup>st</sup>, which is a major thoroughfare between Memorial and south Broken Arrow. Olive already has heavy traffic due to the sand company and their many heavy transport trucks, which is located to the south end of Olive at the Arkansas River. These huge trucks weigh up to 45 tons each, and have been contributing to the deterioration of Olive ever since they came on the scene. Needless to say, if a passenger car was involved in an accident with one of these behemoths, it would be fatal. Changing the zoning of this area to 'commercial' is just adding fuel to this fire.

So, if the safety and welfare of our residents is your top priority and objective, we trust that you will see fit to leave the zoning classification of this area as agricultural. Also, the selfish desire of one landowner should not dictate the health and safety of the entire area.

Thank you.

Montez Ellickson - 12301, E. 132 ST. BROKEN ARROW

**PETITION IN OPPOSITION TO ZONING CHANGE**

We, the undersigned residents of the area of 129<sup>th</sup> East Avenue (Olive) and 131st Street South are very much opposed to the zoning change of the property located on the southeast corner of 129<sup>th</sup> E. Ave. and 131st street south in south Tulsa County. We believe that this area should retain its current zoning status of 'agricultural'. Our main reasons for this belief is the fact that these two above mentioned roads are just 2 lane roads that are not capable of handling the traffic that we already have, due to the recent construction of a large school midway between Garnett and Olive. Thus, resulting in heavy traffic before and after school on 131<sup>st</sup>, which is a major thoroughfare between Memorial and south Broken Arrow. Olive already has heavy traffic due to the sand company and their many heavy transport trucks, which is located to the south end of Olive at the Arkansas River. These huge trucks weigh up to 45 tons each, and have been contributing to the deterioration of Olive ever since they came on the scene. Needless to say, if a passenger car was involved in an accident with one of these behemoths, it would be fatal. Changing the zoning of this area to 'commercial' is just adding fuel to this fire.

So, if the safety and welfare of our residents is your top priority and objective, we trust that you will see fit to leave the zoning classification of this area as agricultural. Also, the selfish desire of one landowner should not dictate the health and safety of the entire area.

Thank you.
