BUILDING A BETTER AMERICA

Greetings,

You are invited to attend **Communities in Action: Building a Better Kansas, Oklahoma, and Missouri** at the White House on **Thursday, February 22**.

Communities in Action: Building a Better Kansas, Oklahoma, and Missouri is part of a White House series that will feature local elected officials and community leaders working on behalf of their communities to create opportunities and improve people's everyday lives. The meeting will be held in-person at the White House and will highlight the Biden-Harris Administration's investments and impacts in communities across Kansas, Oklahoma, and Missouri.

We hope you will join us on **Thursday, February 22**, to share the impact the Biden-Harris Administration has had in your community and on the issues that matter most to Kansans, Oklahomans, and Missourians. We encourage attendees to be prepared to share real-life examples and personal stories of local impact in the day's sessions.

Participants should plan to **arrive by 9:00 AM EDT** and to **remain at the White House until approximately 12:00 PM EDT**. Please note **this invitation is non-transferrable and intended for you only. You are NOT permitted to bring a guest.**
