Satisfactory performance of its obligations under the Billing Service Agreement by Business Associate may require Business Associate to receive or use PHI obtained from Covered Entity, or created or received by Business Associate on behalf of Covered Entity; provided, however, that Business Associate shall not use PHI other than for the purpose of performing Business Associate's obligations under the Billing Service Agreement (including this Agreement), as permitted or required under the Billing Service Agreement (including this Agreement), or as required by law. Business Associate shall not use PHI in any manner that would constitute a violation of HIPAA if so used by Covered Entity.

2.5 Permitted Disclosures of PHI. Business Associate shall not disclose PHI other than for the purpose of performing Business Associate's obligations under the Billing Service Agreement (including this Agreement), as permitted or required under the Billing Service Agreement (including this Agreement), or as required by law. Business Associate shall not disclose PHI in any manner that would constitute a violation of HIPAA if so disclosed by Covered Entity. To the extent that Business Associate discloses PHI to a third party in carrying out its obligations under the Billing Service Agreement, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from such third party that such PHI will be held confidential as provided pursuant to this Agreement and only disclosed as required by law or for the purposes for which it was disclosed to such third party, and (ii) an agreement from such third party to immediately notify Business Associate of any breaches of confidentiality of the PHI, to the extent the third party has obtained knowledge of such breach.

2.6 Minimum Necessary. Business Associate shall limit its use, disclosure or request of PHI to only the minimum necessary as required by law.

- 2.7 Retention of PHI.** Unless otherwise specified in the Billing Service Agreement, Business Associate shall maintain and retain PHI for the term of the Billing Service Agreement, and make such PHI available to Covered Entity as set forth in this Agreement.
- 2.8 Safeguarding PHI.** Business Associate shall use appropriate safeguards to prevent the use or disclosure of PHI other than as permitted by the Billing Service Agreement and this Agreement. Business Associate will appropriately safeguard electronic PHI in accordance with the standards specified at 45 CFR § 164.314(a). In particular, Business Associate will implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of electronic PHI that it creates, receives, maintains or transmits on behalf of Covered Entity.
- 2.9 Agents and Subcontractors.** Business Associate shall ensure that any agents (including subcontractors) of Business Associate to whom Business Associate provides PHI received from Covered Entity, or PHI created or received by Business Associate on behalf of Covered Entity, agree in writing to the same restrictions and conditions that apply to Business Associate with respect to such PHI, including the requirement to implement administrative, physical and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of PHI. Business Associate shall implement appropriate sanctions against agents and subcontractors that violate such restrictions and conditions, including termination of the agency or subcontractor relationship, if feasible, and shall mitigate the effects of any such violations.
- 2.10 Reporting Unauthorized Use or Disclosure.** Business Associate shall report in writing to Covered Entity any use or disclosure of PHI not provided for under the Billing Service Agreement or this Agreement as soon as possible after Business Associate becomes aware of such an incident but in no case later than five (5) days after the date on which Business Associate becomes aware of any such incident; provided, however, that the Parties acknowledge and agree that this Section constitutes notice by Business Associate to Covered Entity of the ongoing existence and occurrence of attempted but Unsuccessful Security Incidents (as defined below). “Unsuccessful Security Incidents” will include, but not be limited to, pings and other broadcast attacks on Business Associate’s firewall, port scans, unsuccessful log-on attempts, denials of service and any combination of the above, so long as no such incident results in unauthorized access, use or disclosure of PHI. - 2.11 Access to Information.** Within five (5) days of Covered Entity’s request, Business Associate shall provide Covered Entity with access to Covered Entity’s PHI maintained by Business Associate or its agents or subcontractors to enable Covered Entity to fulfill its obligations under the Privacy Standards, including, but not limited to, 45 CFR § 164.524.
- 2.12 Availability of PHI for Amendment.** The parties acknowledge that the Privacy Standards permit an individual who is the subject of PHI to request certain amendments of their

records. Upon Covered Entity's request for an amendment of PHI or a record about an individual contained in a Designated Record Set, but not later than five (5) days after receipt of such request, Business Associate and its agents or subcontractors shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under the Privacy Standards, including, but not limited to, 45 CFR § 164.526. If any individual requests an amendment of PHI directly from Business Associate or its agents or subcontractors, Business Associate must notify Covered Entity in writing within five (5) days of the request. Covered Entity has the sole authority to deny a request for amendment of PHI received or created under the terms of the Billing Service Agreement and maintained by Business Associate or its agents or subcontractors.

2.13 Accounting of Disclosures. Upon Covered Entity's request, Business Associate, its agents and subcontractors shall make available the information required to provide an accounting of disclosures to enable Covered Entity to fulfill its obligations under the Privacy Standards, including, but not limited to, 45 CFR § 164.528. For this purpose, Business Associate shall retain a record of disclosure of PHI for at least six (6) years from the date of disclosure. Business Associate agrees to implement a process that allows for an accounting to be collected and maintained by Business Associate and its agents or subcontractors for at least six (6) years prior to the request, but not before the effective date of the Billing Service Agreement. At a minimum, such information shall include: (i) the date of disclosure; (ii) the name of the entity or person who received PHI and, if known, the address of the entity or person; (iii) a brief description of PHI disclosed; and (iv) a brief statement of the purpose of the disclosure that reasonably informs the individual of the basis for the disclosure, or a copy of the individual's authorization, or a copy of the written request for disclosure. Where a request for an accounting is delivered directly to Business Associate or its agents or subcontractors, Business Associate shall within five (5) days of a request forward it to Covered Entity in writing. It shall be Covered Entity's responsibility to prepare and deliver any such reply to the requested accounting.

2.14 Agreement to Restriction on Disclosure. If Covered Entity is required to comply with a restriction on the disclosure of PHI pursuant to § 13405 of the HITECH Act, then Covered Entity shall provide written notice to Business Associate of the name of the individual requesting the restriction and the PHI affected thereby. Business Associate shall, upon receipt of such notification, not disclose the identified PHI to any health plan for the purposes of carrying out Payment or Health Care Operations, except as otherwise required by law.

2.15 Accounting of Disclosures of Electronic Health Records ("EHR"). If Business Associate is deemed to use or maintain an EHR on behalf of Covered Entity, then Business Associate shall maintain an accounting of any disclosures made through an EHR for Treatment, Payment and Health Care Operations, as required by law. Upon request by Covered Entity, Business Associate shall provide such accounting to Covered Entity in the time and manner specified by law. Alternatively, if Covered Entity responds to an individual's request for an accounting of disclosures made through an EHR by providing the requesting individual with a list of all business associates acting on behalf of Covered Entity, then Business Associate

shall provide such accounting directly to the requesting individual in the time and manner specified by the HITECH Act.

- 2.16 Access to Electronic Health Records.** If Business Associate is deemed to use or maintain an EHR on behalf of Covered Entity with respect to PHI, then, to the extent an individual has the right to request a copy of the PHI maintained in such EHR pursuant to 45 CFR § 164.524 and makes such a request to Business Associate, Business Associate shall provide such individual with a copy of the PHI in the EHR in an electronic format and, if the individual so chooses, transmit such copy directly to an entity or person designated by the individual. Business Associate may charge a fee, not to exceed Contractor's labor costs to respond, to the individual for providing the copy of the PHI. The provisions of 45 CFR § 164.524, including the exceptions to the requirement to provide a copy of PHI, shall otherwise apply and Business Associate shall comply therewith as if Business Associate were Covered Entity. At Covered Entity's request, Business Associate shall provide Covered Entity with a copy of an individual's PHI maintained in an EHR in an electronic format and in a time and manner designated by Covered Entity in order for Covered Entity to comply with 45 CFR § 164.524, as amended by the HITECH Act.
- 2.17 Remuneration for PHI.** Business Associate agrees that it shall not, directly or indirectly, receive remuneration in exchange for any PHI of Covered Entity except as otherwise permitted by law.
- 2.18 Governmental Access to Books and Records.** For purposes of determining Covered Entity's compliance with the HIPAA, Business Associate agrees to make available to the Secretary its internal practices, books, and records relating to the use and disclosure of PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity.
- 2.19 Data Ownership.** Business Associate acknowledges that Business Associate has no ownership rights with respect to the PHI.
- 2.20 Insurance.** Business Associate shall maintain commercial general liability insurance, with commercially reasonable liability limits, that includes coverage for damage to persons or property arising from any breach of the terms of this Agreement.
- 2.21 Audits, Inspection and Enforcement.** Within ten (10) days of a written request by Covered Entity, Business Associate and its agents or subcontractors shall allow Covered Entity to conduct a reasonable inspection of the facilities, systems, books, records, agreements, policies and procedures relating to the use or disclosure of PHI pursuant to this Agreement for the purpose of determining whether Business Associate has complied with this Agreement; provided, however, that (i) Business Associate and Covered Entity shall mutually agree in advance upon the scope, timing and location of such an inspection; (ii) Covered Entity shall protect the confidentiality of all confidential and proprietary information of Business Associate to which Covered Entity has access during the course of such inspection; and (iii) Covered Entity shall execute a nondisclosure agreement, upon

terms mutually agreed upon by the parties, if requested by Business Associate. Covered Entity and its authorized agents or contractors, may, at Covered Entity's expense, examine Business Associate's facilities, systems, procedures and records as may be necessary for such agents or contractors to certify to Covered Entity the extent to which Business Associate's security safeguards comply with HIPAA, the HITECH Act or this Agreement, to the extent that Covered Entity determines that such examination is necessary to comply with Covered Entity's legal obligations pursuant to HIPAA or the HITECH Act relating to certification of its security practices. The fact that Covered Entity inspects, or fails to inspect, or has the right to inspect, Business Associate's facilities, systems, books, records, agreements, policies and procedures does not relieve Business Associate of its responsibility to comply with this Agreement, nor does Covered Entity's (i) failure to detect or (ii) detection, but failure to notify Business Associate or require Business Associate's remediation of any unsatisfactory practices, constitute acceptance of such practices or a waiver of Covered Entity's enforcement rights under the Billing Service Agreement or this Agreement.

2.22 Return of PHI at Termination. Upon termination of the Billing Service Agreement, Business Associate shall, where feasible, destroy or return to Covered Entity all PHI received from Covered Entity, or created or received by Business Associate or its agents or subcontractors on behalf of Covered Entity. Where return or destruction is not feasible, the duties of Business Associate under this Agreement shall be extended to protect the PHI retained by Business Associate. Business Associate agrees not to further use or disclose information for which the return or destruction is infeasible. Business Associate shall certify in writing the destruction of the PHI and to the continued protection of PHI that is not feasible to destroy.

2.23 Retention of PHI. Business Associate and its contractors or agents shall retain communications and documents required to be maintained by HIPAA for six (6) years after termination of the Billing Service Agreement.

2.24 Business Associate's Performance of Obligations of Covered Entity. To the extent the Business Associate is to carry out one or more of Covered Entity's obligation(s) under the HIPAA Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity when it carries out such obligation(s).

Article 4: Term and Termination

4.1 Term. The provisions of this Agreement shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate,

or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity, or, if it is infeasible to return or destroy the PHI, protections are extended to such information in accordance with the termination provisions in Section 4.2 of this Agreement.

4.2 Termination by Covered Entity.

- (a) A breach by Business Associate of any material provision of this Agreement, as determined by Covered Entity, shall constitute a material breach of the Billing Service Agreement and shall provide grounds for immediate termination of the Billing Service Agreement by Covered Entity.
- (b) If Covered Entity knows of a pattern of activity or practice of Business Associate that constitutes a material breach or violation of Business Associate's obligations under the provisions of this Agreement or another arrangement and does not terminate the Billing Service Agreement pursuant to Section 4.2(a) of this Agreement, then Business Associate shall take reasonable steps to cure such breach or end such violation, as applicable. If Business Associate's efforts to cure such breach or end such violation are unsuccessful, Covered Entity shall either (i) terminate the Billing Service Agreement, if feasible or (ii) if termination of the Billing Service Agreement is not feasible, Covered Entity shall report Business Associate's breach or violation to the Secretary.
