

Dear Mayor Craig Thurmond,

SEP 25 2018

Please vote 10-2-18 against the proposed Event Center on S. 1<sup>st</sup> Place.

CITY MANAGER'S OFFICE

To slow up 1 Emergency Vehicle just 1 second can mean **DEATH!**

A traffic study is being done. Remember it's the **QUALITY** of traffic – not the Quantity.

These 7 Emergency vehicles use S. 1<sup>st</sup> Place on a regular basis:

- 1) Police
- 2) Fire
- 3) Ambulance
- 4) Street
- 5) Storm Water
- 6) Jail
- 7) OK Nat. Gas Co.

Plus these deserve respect and ALSO use S. 1<sup>st</sup> Place on a regular basis for Courtroom duty:

- 8) Judges
- 9) Attorneys
- 10) Courtroom personnel

To hold them up also causes trouble!

Broken Arrow is expanding to the South and East. So things will only get worse. Especially with a Fire Station on S. 1<sup>st</sup> Place!

My father is from New Orleans. Had they seen Katrina coming – they would have prepared better!  
PLEASE see what is coming if:

- 1) 100's go to a Friday night football game at the Freshman Academy (S. end of S. 1<sup>st</sup> Place)
- 2) 100's are at a softball tournament (N. end of S. 1<sup>st</sup> Place)
- 3) 100's at the proposed Event Center (S. end of S. 1<sup>st</sup> Place). Some drunk.
- 4) 2 Churches with events, Flower shop, family reunions, etc

**BOTH ends of S. 1<sup>st</sup> Place will be flooded with cars.                      *How will your Emergency Vehicles get through?***

Thank-You,

G. Stephen Foerster
