Subject: Updated CDBG Allocation Amount and Items Needed for 2019 Application

John,

I have received the City's fully executed application for 2019 CDBG funds, but need additional items submitted. Per the application checklist, please send your W-9 form and documentation of current registration in SAM. You had previously sent me the Public Hearing documentation.

HUD has finally released the 2019 CDBG Allocation amounts and we have Broken Arrow's updated allocation. Based on the allocation formula, the City will receive **\$470,521.00**, which is **\$8,072.30 more** than the estimate we provided to you for project application purposes. You may use up to 15% of that amount for Public Services projects. The split would be:

Infrastructure: \$399,942.85

Public Services: \$70,578.15

Please provide an updated project budget and engineering estimate showing the new amount for the Detroit Street Rehabilitation project. The Annual Action Plan prepared by Tulsa County which lists the projects to be undertaken by Urban County members is due out for public review by May 14th, so please send the updated forms as soon as possible.

Below are the CDBG amounts the City has unspent from previous years. The City has a lot of money available! Let's spend!

FY2014- \$112,983.00

FY2015- \$74,208.12

FY2017- \$24,141.96 (First Street Waterline)

FY2017- \$72,116.53 (N. 4th St Rehab and Storm Sewer)

FY2018- \$392,196.00 (E. Detroit St Rehab)

(New) FY2019- \$399,942.85 (Detroit St. Rehab)

Please update me on when you plan to spend this money.
