Case No - 19-10033230

City of Broken Arrow
220 S 1st St, BA OK 74012

To City Council and Mayor.

On June 6, 2019 at 12:00 pm I have attended the meeting with the employees of code enforcement Div.

Russell Gail have sided with the Valerie Hollbrook without physically inspecting my property and without describing or defining any weed that is Nuisance on my person property other than calling everything and anything as nuisance.

I am disagreeing with the decision of your unqualified staff and I would like to hear your decisions before you will send out your crew to clean my private property's.

Do set up a meeting with me or face a harassment lawsuit for \$1 Million.
