State of Oklahoma and all Oklahoma customers

To Whom It May Concern:

Thank you for your interest and continued support of Iteris systems.

Gades is the sole authorized Distributor for Iteris product lines in the State of Oklahoma. Gades is responsible for sales, service, and warranty issues for all agencies in the State of Oklahoma. Bill Heim from Gades is the primary contact for all sales and service in the State of Oklahoma.

Please feel free to contact me if you require any additional information. Thank you again for your continued support.

Sincerely,

Roger Koehler  
Vice President, National Sales Roadway Sensors
