CLAIM INFORMATION

LONG TERM DISABILITY

WHEN DO YOU NOTIFY UNUM OF A CLAIM?

We encourage you to notify us of your claim as soon as possible, so that a claim decision can be made in a timely manner. Written notice of a claim should be sent within 30 days after the date your disability begins. However, you must send Unum written proof of your claim no later than 90 days after your elimination period. If it is not possible to give proof within 90 days, it must be given no later than 1 year after the time proof is otherwise required except in the absence of legal capacity.

The claim form is available from your Employer, or you can request a claim form from us. If you do not receive the form from Unum within 15 days of your request, send Unum written proof of claim without waiting for the form.

You must notify us immediately when you return to work in any capacity.

HOW DO YOU FILE A CLAIM?

You and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

Your proof of claim, provided at your expense, must show:

- that you are under the **regular care** of a **physician**;
- the appropriate documentation of your monthly earnings;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation; and
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

TO WHOM WILL UNUM MAKE PAYMENTS?

Unum will make payments to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud;
- any error Unum makes in processing a claim; and
- your receipt of deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

POLICYHOLDER PROVISIONS

WHAT IS THE COST OF THIS INSURANCE?

LONG TERM DISABILITY

The initial premium for each plan is based on the initial rate(s) shown in the policy effective on the Employer's original plan effective date.

WAIVER OF PREMIUM

Unum does not require premium payments for an insured while he or she is receiving Long Term Disability payments under this plan.

INITIAL RATE GUARANTEE

Refer to the policy effective on the Employer's original plan effective date.

WHEN IS PREMIUM DUE FOR THIS POLICY?

Premium Due Dates: Premium due dates are based on the Premium Due Dates shown in the policy effective on the Employer's original plan effective date.

The **Policyholder** must send all premiums to Unum on or before their respective due date. The premium must be paid in United States dollars.

WHEN ARE INCREASES OR DECREASES IN PREMIUM DUE?

Premium increases or decreases which take effect during a policy month are adjusted and due on the next premium due date following the change. Changes will not be pro-rated daily.

If premiums are paid on other than a monthly basis, premiums for increases and decreases will result in a monthly pro-rated adjustment on the next premium due date.

Unum will only adjust premium for the current policy year and the prior policy year. In the case of fraud, premium adjustments will be made for all policy years.

WHAT INFORMATION DOES UNUM REQUIRE FROM THE POLICYHOLDER?

The Policyholder must provide Unum with the following on a regular basis:

- information about employees:
 - who are eligible to become insured;
 - whose amounts of coverage change; and/or
 - whose coverage ends;
- occupational information and any other information that may be required to manage a claim; and
- any other information that may be reasonably required.

Policyholder records that, in Unum's opinion, have a bearing on this policy will be available for review by Unum at any reasonable time.

Clerical error or omission by Unum will not:

- prevent an employee from receiving coverage;
- affect the amount of an insured's coverage; or
- cause an employee's coverage to begin or continue when the coverage would not otherwise be effective.

WHO CAN CANCEL THIS POLICY OR A PLAN UNDER THIS POLICY?

This policy or a plan under this policy can be cancelled:

- by Unum; or
- by the Policyholder.

Unum may cancel or offer to modify this policy or a plan if:

- there is less than 75% participation of those eligible employees who pay all or part of their premium for a plan; or
- there is less than 100% participation of those eligible employees for a Policyholder paid plan;
- the Policyholder does not promptly provide Unum with information that is reasonably required;
- the Policyholder fails to perform any of its obligations that relate to this policy;
- fewer than 10 employees are insured under a plan;
- the Policyholder fails to pay any premium within the 31 day **grace period**.

If Unum cancels this policy or a plan for reasons other than the Policyholder's failure to pay premium, a written notice will be delivered to the Policyholder at least 31 days prior to the cancellation date.

If the premium is not paid during the grace period, the policy or plan will terminate automatically at the end of the grace period. The Policyholder is liable for premium for coverage during the grace period. The Policyholder must pay Unum all premium due for the full period each plan is in force.

The Policyholder may cancel this policy or a plan by written notice delivered to Unum at least 31 days prior to the cancellation date. When both the Policyholder and Unum agree, this policy or a plan can be cancelled on an earlier date. If Unum or the Policyholder cancels this policy or a plan, coverage will end at 12:00 midnight on the last day of coverage.

If this policy or a plan is cancelled, the cancellation will not affect a **payable claim**.

WHAT HAPPENS TO AN EMPLOYEE'S COVERAGE UNDER THIS POLICY WHILE HE OR SHE IS ON A FAMILY AND MEDICAL LEAVE OF ABSENCE?

We will continue the employee's coverage in accordance with the policyholder's Human Resource policy on family and medical leaves of absence if premium payments continue and the policyholder approved the employee's leave in writing.

Coverage will be continued until the end of the later of:

1. the leave period required by the federal Family and Medical Leave Act of 1993 and any amendments; or
2. the leave period required by applicable state law.

If the policyholder's Human Resource policy doesn't provide for continuation of an employee's coverage during a family and medical leave of absence, the employee's coverage will be reinstated when he or she returns to active employment.

We will not:

- apply a new waiting period;
- apply a new pre-existing conditions exclusion; or
- require evidence of insurability.

CERTIFICATE SECTION

Unum Life Insurance Company of America (referred to as Unum) welcomes you as a client.

This is your certificate of coverage as long as you are eligible for coverage and you become insured. You will want to read it carefully and keep it in a safe place.

Unum has written your certificate of coverage in plain English. However, a few terms and provisions are written as required by insurance law. If you have any questions about any of the terms and provisions, please consult Unum's claims paying office. Unum will assist you in any way to help you understand your benefits.

If the terms and provisions of the certificate of coverage (issued to you) are different from the policy (issued to the policyholder), the policy will govern. Your coverage may be cancelled or changed in whole or in part under the terms and provisions of the policy.

The policy is delivered in and is governed by the laws of the governing jurisdiction and to the extent applicable by the Employee Retirement Income Security Act of 1974 (ERISA) and any amendments. When making a benefit determination under the policy, Unum has discretionary authority to determine your eligibility for benefits and to interpret the terms and provisions of the policy.

For purposes of effective dates and ending dates under the group policy, all days begin at 12:01 a.m. and end at 12:00 midnight at the Policyholder's address.

Unum Life Insurance Company of America

GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

Unum will provide your Employer with a certificate of coverage for delivery to each insured.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your **waiting period**.

WHEN DOES YOUR COVERAGE BEGIN?

When your Employer pays 100% of the cost of your coverage under a plan, you will be covered at 12:01 a.m. on the date you are eligible for coverage.

When you and your Employer share the cost of your coverage under a plan or when you pay 100% of the cost yourself, you will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for insurance, if you apply within 31 days after your eligibility date; or
- the date Unum approves your application, if **evidence of insurability** is required.

Evidence of insurability is required if you:

- are a late applicant, which means you apply for coverage more than 31 days after the date you are eligible for coverage; or
- voluntarily cancelled your coverage and are reapplying.

An evidence of insurability form can be obtained from your Employer.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to injury, sickness, temporary layoff or leave of absence, your coverage will begin on the date you return to **active employment**.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on a temporary **layoff**, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your temporary layoff begins.

If you are on a **leave of absence**, and if premium is paid, you will be covered through the end of the month that immediately follows the month in which your leave of absence begins.

WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?

Once your coverage begins, any increased or additional coverage will take effect immediately if you are in active employment or if you are on a covered layoff or leave of absence. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a **payable claim** that occurs prior to the decrease.

WHEN DOES YOUR COVERAGE END?

Your coverage under the policy or a plan ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment except as provided under the covered layoff or leave of absence provision.

Unum will provide coverage for a payable claim which occurs while you are covered under the policy or plan.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this. A copy of the statements will be provided to you, your beneficiary or personal representative.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

LONG TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are **limited** from performing the **material and substantial duties** of your **regular occupation** due to your **sickness or injury**; and
- you have a 20% or more loss in your **indexed monthly earnings** due to the same sickness or injury.

After 24 months of payments, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the duties of any **gainful occupation** for which you are reasonably fitted by education, training or experience.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your **elimination period**. Unum will treat your disability as continuous if your disability stops for 30 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is 90 days.

CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes, provided you meet the definition of disability.

WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

Department Heads

1. Multiply your monthly earnings by 60%.
2. The maximum **monthly benefit** is \$6,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your **gross disability payment**.

4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **monthly payment**.

All Employees not eligible in another group

1. Multiply your monthly earnings by 60%.
2. The maximum **monthly benefit** is \$4,000.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

The amount figured in Item 4 is your **monthly payment**.

WHAT ARE YOUR MONTHLY EARNINGS?

"Monthly Earnings" means your gross monthly income from your Employer in effect just prior to your date of disability. It includes your total income before taxes and any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan or flexible spending account. It includes income actually received from scheduled overtime pay, longevity pay and educational add-on but does not include commissions or any other extra compensation, or income received from sources other than your employer.

Scheduled Overtime is defined as earnings paid by your employer for services beyond the normal scheduled work hours.

Scheduled Overtime, Longevity Pay and Educational Add-On will be averaged for the lesser of:

- a. the prior calendar year's 12 month period of your employment with your Employer just prior to the date disability begins; or
- b. the period of actual employment with your Employer.

WHAT WILL WE USE FOR MONTHLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a covered layoff or leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?

We will send you the monthly payment if you are disabled and your monthly **disability earnings**, if any, are less than 20% of your indexed monthly earnings, due to the same sickness or injury.

If you are disabled and your monthly disability earnings are 20% or more of your indexed monthly earnings, due to the same sickness or injury, Unum will figure your payment as follows:

During the first 12 months of payments, while working, your monthly payment will not be reduced as long as disability earnings plus the gross disability payment does not exceed 100% of indexed monthly earnings.

1. Add your monthly disability earnings to your gross disability payment.

2. Compare the answer in Item 1 to your indexed monthly earnings.

If the answer from Item 1 is less than or equal to 100% of your indexed monthly earnings, Unum will not further reduce your monthly payment.

If the answer from Item 1 is more than 100% of your indexed monthly earnings, Unum will subtract the amount over 100% from your monthly payment.

After 12 months of payments, while working, you will receive payments based on the percentage of income you are losing due to your disability.

1. Subtract your disability earnings from your indexed monthly earnings.
2. Divide the answer in Item 1 by your indexed monthly earnings. This is your percentage of lost earnings.
3. Multiply your monthly payment by the answer in Item 2.

This is the amount Unum will pay you each month.

During the first 24 months of disability payments, if your monthly disability earnings exceed 80% of your indexed monthly earnings, Unum will stop sending you payments and your claim will end.

Beyond 24 months of disability payments, if your monthly disability earnings exceed the gross disability payment, Unum will stop sending you payments and your claim will end.

Unum may require you to send proof of your monthly disability earnings at least quarterly. We will adjust your payment based on your quarterly disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.

HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings routinely fluctuate widely from month to month, Unum may average your disability earnings over the most recent 3 months to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless:

- During the first 24 months of disability payments, the average of your disability earnings from the last 3 months exceeds 80% of indexed monthly earnings; or
- Beyond 24 months of disability payments, the average of your disability earnings from the last 3 months exceeds the gross disability payment.

We will not pay you for any month during which disability earnings exceed the amount allowable under the plan.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive under:
 - a workers' compensation law.
 - an occupational disease law.
 - any other **act** or **law** with similar intent.
2. The amount that you receive or are entitled to receive as disability income payments under any:
 - state compulsory benefit **act** or **law**.
 - automobile liability insurance policy.
 - other group insurance plan.
 - governmental retirement system as a result of your job with your Employer.
3. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
 - the United States Social Security Act.
 - the Canada Pension **Plan**.
 - the Quebec Pension Plan.
 - any similar plan or act.
4. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving retirement payments under:
 - the United States Social Security Act.
 - the Canada Pension Plan.
 - the Quebec Pension Plan.
 - any similar plan or act.
5. The amount that you:
 - receive as disability payments under your Employer's **retirement plan**.
 - voluntarily elect to receive as retirement payments under your Employer's retirement plan.
 - receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed

simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

6. The amount that you receive under Title 46, United States Code Section 688 (The Jones Act).
7. The amount that you receive from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise.

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable as a result of the same disability.

We will not reduce your payment by your Social Security retirement income if your disability begins after age 65 and you were already receiving Social Security retirement payments.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- **salary continuation** or **accumulated sick leave** plans

WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)

The minimum monthly payment is the greater of:

- \$100; or
- 10% of your gross disability payment.

Unum may apply this amount toward an outstanding overpayment.

WHAT HAPPENS WHEN YOU RECEIVE A COST OF LIVING INCREASE FROM DEDUCTIBLE SOURCES OF INCOME?

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.

HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?

Unum will send you a payment each month up to the **maximum period of payment**. Your maximum period of payment is based on your age at disability as follows:

<u>Age at Disability</u>	<u>Maximum Period of Payment</u>
Less than age 60	To age 65, but not less than 5 years
Age 60	60 months
Age 61	48 months
Age 62	42 months
Age 63	36 months
Age 64	30 months
Age 65	24 months
Age 66	21 months

Age 67	18 months
Age 68	15 months
Age 69 and over	12 months

WHEN WILL PAYMENTS STOP?

We will stop sending you payments and your claim will end on the earliest of the following:

- during the first 24 months of payments, when you are able to work in your regular occupation on a **part-time basis** but you choose not to;
- after 24 months of payments, when you are able to work in any gainful occupation on a part-time basis but you choose not to;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan;
- the date you fail to submit proof of continuing disability;
- the date your disability earnings exceed the amount allowable under the plan;
- the date you die.

WHAT DISABILITIES HAVE A LIMITED PAY PERIOD UNDER YOUR PLAN?

Disabilities, due to sickness or injury, which are primarily based on **self-reported symptoms**, and disabilities due to **mental illness** have a limited pay period up to 12 months.

Unum will continue to send you payments beyond the 12 month period if you meet one or both of these conditions:

1. If you are confined to a **hospital or institution** at the end of the 12 month period, Unum will continue to send you payments during your confinement.

If you are still disabled when you are discharged, Unum will send you payments for a recovery period of up to 90 days.

If you become reconfined at any time during the recovery period and remain confined for at least 14 days in a row, Unum will send payments during that additional confinement and for one additional recovery period up to 90 more days.

2. In addition to Item 1, if, after the 12 month period for which you have received payments, you continue to be disabled and subsequently become confined to a hospital or institution for at least 14 days in a row, Unum will send payments during the length of the reconfinement.

Unum will not pay beyond the limited pay period as indicated above, or the maximum period of payment, whichever occurs first.

Unum will not apply the mental illness limitation to dementia if it is a result of:

- stroke;
- trauma;
- viral infection;
- Alzheimer's disease; or

- other conditions not listed which are not usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs, or other similar methods of treatment.

WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted under state or federal law.
- pre-existing condition.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

WHAT IS A PRE-EXISTING CONDITION?

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 3 months just prior to your effective date of coverage; or you had symptoms for which an ordinarily prudent person would have consulted a health care provider in the 3 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME AND YOUR DISABILITY OCCURS AGAIN?

If you have a **recurrent disability**, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously insured under the plan for the period between your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months of the end of your prior claim.

Your recurrent disability will be subject to the same terms of this plan as your prior claim.

Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions.

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.

LONG TERM DISABILITY

OTHER BENEFIT FEATURES

WHAT BENEFITS WILL BE PROVIDED TO YOUR FAMILY IF YOU DIE? (Survivor Benefit)

When Unum receives proof that you have died, we will pay your **eligible survivor** a lump sum benefit equal to 3 months of your gross disability payment if, on the date of your death:

- your disability had continued for 180 or more consecutive days; and
- you were receiving or were entitled to receive payments under the plan.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made.

However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

WHAT INSURANCE IS AVAILABLE IF YOU END EMPLOYMENT? (Conversion)

If you end employment with your Employer, your coverage under the plan will end. You may be eligible to purchase insurance under Unum's group conversion policy. To be eligible, you must have been insured under your Employer's group plan for at least 12 consecutive months. We will consider the amount of time you were insured under the Unum plan and the plan it replaced, if any.

You must apply for insurance under the conversion policy and pay the first quarterly premium within 31 days after the date your employment ends.

Unum will determine the coverage you will have under the conversion policy. The conversion policy may not be the same coverage we offered you under your Employer's group plan.

You are not eligible to apply for coverage under Unum's group conversion policy if:

- you are or become insured under another group long term disability plan within 31 days after your employment ends;
- you are disabled under the terms of the plan;
- you recover from a disability and do not return to work for your Employer;
- you are on a leave of absence; or
- your coverage under the plan ends for any of the following reasons:
 - the plan is cancelled;
 - the plan is changed to exclude the group of employees to which you belong;
 - you are no longer in an eligible group;
 - you end your working career or retire and receive payment from any Employer's retirement plan; or
 - you fail to pay the required premium under this plan.

OTHER SERVICES

These services are also available from us as part of your Unum Long Term Disability plan.

HOW CAN UNUM HELP YOUR EMPLOYER IDENTIFY AND PROVIDE WORKSITE MODIFICATION?

A worksite modification might be what is needed to allow you to perform the material and substantial duties of your regular occupation with your Employer. One of our designated professionals will assist you and your Employer to identify a modification we agree is likely to help you remain at work or return to work. This agreement will be in writing and must be signed by you, your Employer and Unum.

When this occurs, Unum will reimburse your Employer for the cost of the modification, up to the greater of:

- \$1,000; or
- the equivalent of 2 months of your monthly benefit.

This benefit is available to you on a one time only basis.

HOW CAN UNUM'S REHABILITATION SERVICE HELP YOU RETURN TO WORK?

Unum has a vocational rehabilitation program available to assist you to return to work. This program is offered as a service, and is voluntary on your part and on Unum's part.

In addition to referrals made to the rehabilitation program by our claims paying personnel, you may request to have your claim file reviewed by one of Unum's rehabilitation professionals. As your file is reviewed, medical and vocational information will be analyzed to determine if rehabilitation services might help you return to gainful employment.

Once the initial review is completed, Unum may elect to offer you a return-to-work program. The return-to-work program may include, but is not limited to, the following services:

- coordination with your Employer to assist you to return to work;
- evaluation of adaptive equipment to allow you to return to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- retraining for a new occupation.

HOW CAN UNUM'S SOCIAL SECURITY CLAIMANT ADVOCACY PROGRAM ASSIST YOU WITH OBTAINING SOCIAL SECURITY DISABILITY BENEFITS?

In order to be eligible for assistance from Unum's Social Security claimant advocacy program, you must be receiving monthly payments from us. Unum can provide expert advice regarding your claim and assist you with your application or appeal.

Receiving Social Security benefits may enable:

- you to receive Medicare after 24 months of disability payments;
- you to protect your retirement benefits; and
- your family to be eligible for Social Security benefits.

We can assist you in obtaining Social Security disability benefits by:

- helping you find appropriate legal representation;
- obtaining medical and vocational evidence; and
- reimbursing pre-approved case management expenses.

- are normally required for the performance of your regular occupation; and

Additional Claim and Appeal Information
Relative to policy issued by Unum Life Insurance Company of America ("Unum")

APPLICABILITY OF ERISA

If the policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and

- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);

- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan, acting through the Plan Administrator, delegates to Unum and its affiliate Unum Group discretionary authority to make benefit determinations under the Plan. Unum and Unum Group may act directly or through their employees and agents or further delegate their authority through contracts, letters or other documentation or procedures to other affiliates, persons or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and enforcing the provisions of the Plan. All benefit determinations must be reasonable and based on the terms of the Plan and the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.

**Addendum to the "Additional Summary Plan Description Information"
included with your certificate of coverage or policy
and effective for claims filed on or after April 1, 2018.**

The regulations governing ERISA disability claims and appeals have been amended. The amended regulations apply to disability claims filed on or after April 1, 2018. To the extent the Additional Summary Plan Description Information included with your certificate of coverage or policy conflicts with these new requirements, these new rights and procedures will apply.

These new rights and procedures include:

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).

NOTICE OF PROTECTION PROVIDED BY OKLAHOMA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Oklahoma Life and Health Insurance Guaranty Association (the "Association") and the protection it provides for policyholders. This safety net was created under Oklahoma law, which determines who and what is covered and the amounts of coverage. The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Oklahoma law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$300,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except that with regard to hospital, medical and surgical insurance benefits, the maximum amount that will be paid is \$500,000.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Oklahoma law.

To learn more about the above protections, please visit the Association's website at www.oklifega.org, or contact:

Insurance companies and agents are not allowed by Oklahoma law to use the existence of the Association or its coverage to encourage you to purchase any form of insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between this notice and Oklahoma law, then Oklahoma law will control.
