

To: City of Broken Arrow Drainage Advisory Committee
From: Patrick P. Wilson, P.E., CFM, Stormwater Division Manager
Project Name: Knights of Columbus Swale Grading
Project Number: SW23040
DAC Case Number: 23-005
DAC Agenda Number: 23-1121
Allocated Funds: \$40,000.00
Basin: Broken Arrow Creek
Funds Spent: \$19,850.00
Funds Remaining: \$20,150.00

Description: The resident to the west of the Knights of Columbus contacted the City regarding runoff from the Knights of Columbus property. The runoff was going onto the resident's property and threatening to go into the house. The City contracted out to have a swale graded to create an interceptor ditch. The interceptor ditch has helped to mitigate the runoff from the Knights of Columbus.

See Page 2 for photographs.

Recommendation: Close the project and transfer the remaining funds back to the Broken Arrow Creek Basin fund.
