

BROKEN ARROW

Where opportunity lives

CERTIFICATE OF RECOGNITION

IN HONOR OF

PAUL GERNER

On behalf of the City of Broken Arrow, we would like to recognize Paul Gerner and his work in keeping Camp Bandage going in our community. Started in 1983 by Dr. A.L. Gerner and his wife Shirley, the program was born from their experiences treating children injured in common accidents. They transformed their knowledge into a free, hands-on safety camp that taught kids how to avoid and respond to injuries. Even today, its impact serves as a reminder of the importance of community-driven safety initiatives.
