

The Rose District continues to evolve as an ideal wedding venue, and the partnership with the Tulsa County Court Clerk's Office contributes to this growth. In 2023 a total of 1,613 licenses were filed at the Broken Arrow location which is 37% of the total licenses for all of Tulsa County. We are seeing growth year over year at this office and are hopeful to continue this momentum in years to come. Google presence: 144k impressions, 3.04k clicks, 1.71k local actions, 850 calls.
