Re: Annual Fee Adjustment – Processing/Marketing Fee

Gentlemen:

Section 18.1.2 of the Agreement for Processing and Marketing of Program Recyclable Materials states an annual rate adjustment of three percent (3.00%) per year. Accordingly, Tulsa Recycle & Transfer, Inc. requests that the current Processing & Marketing Fee of \$78.60 per ton shown on Appendix A to the above agreement be increased 3.00% or \$2.36 per ton to \$80.96 per ton, effective October 1, 2024.
