Staff Planner Amanda Yamaguchi reported Item 6A, BAZ-2012, was a request to change the zoning designation on a 1.52 acres tract from R-1 single family residential to CH commercial heavy. She stated the property was currently vacant and unplatted. She stated the applicant had not stated a specific reason for the rezoning. She reported there were two water line easements, a drainage easement and a utility easement which would affect the buildable area of the property. She stated a total of 65 feet of right of way and the corner clip at the intersection would be required along both Albany Street and Olive Avenue. She stated the property was designated Level 6 in the Comprehensive Plan and CH zoning was considered in conformance with the Comprehensive Plan in Level 6. She stated based on the Comprehensive Plan, location of the property, and surrounding land uses, Staff recommended BAZ-2012 be approved subject to the property being platted.

Mr. David Sanders with Sanders Engineering, representing Mr. Jang, stated his address was 11502 South 66th East Avenue, Bixby. He stated Mr. Jang was in agreement with Staff recommendations. He stated being relatively unfamiliar with the process he would take it one step at a time, get the property rezoned, and then move forward.

Chairperson Ricky Jones opened up the Public Hearing for Item 6A. He asked if any present wanted to speak regarding Item 6A. Seeing none, he closed the Public Hearing for Item 6A.
