

**Bid 26.152-Furniture for Operations Center - Admin Building Project #2317210**

Description

This solicitation establishes a purchase agreement for the procurement and installation of furniture. The awarded vendor shall furnish and install the specified furniture items in the quantities listed in the bid at the quoted prices. All items and installation services must meet the required specifications and delivery requirements outlined in this solicitation. The vendor shall be responsible for delivery, assembly, placement, and installation of all furniture. Purchases will be made through issuance of a purchase order, and payment will be rendered Net 30 after receipt, installation, and acceptance of items in accordance with standard purchasing procedures.
