Re: The Ridge at Broken Arrow
TEP Project No. 17-085.00 - Request Abrogation of Specific Use Permit No. 164

To the Planning Commission:

The Broken Arrow City Council, in their meeting of January 22, 2002, approved Specific Use Permit No. 164 to allow a golf driving range subject to the property being platted. The property was platted on June 05, 2002 and filed in the office of the Wagoner County Clerk as Book PLC4, Page 407; "Tee Town Golf Ranch". The current landowner wishes to abrogate Specific Use Permit No. 164 and replace with a Specific Use Permit to allow a church. We would respectfully request your favorable consideration in this matter.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'Jack Taber', written in a cursive style.
