New Orleans/Garnett/Florence/Mingo (Section 30-18-14)

Level 4 designations are given to tracts in southwest corner and southeast corner based on existing zoning and the LUIS model respectively. Level 3 designations are given in these corners based on the LUIS model as a buffer between Level 4 and Level 2 areas. Level 2 designations are given to the existing Cedar Ridge subdivision and remaining lands not in the floodplain or private recreation use.
