We also provided an option to purchase a \$1,000,000.00 Commercial Umbrella Liability policy. The annual premium is \$750.00.

This would provide an excess layer of liability coverage over the \$1,000,000.00 per claim/ \$2,000,000.00 annual aggregate limits provided by the General Liability policy.

Thank you for this continued opportunity to serve the City of Broken Arrow as Risk Advisor and Insurance Agent.

Sincerely,
