Payment is due for all ambulances at delivery or prior to release for delivery from factory. Final price is subject to change. Critical industry circumstances caused by a unique mixture of issues stemming from pandemic relates surges in the ambulance market, increases in customer demand and severe labor and supply shortages have created unprecedented challenges. These issues and pent-up demand of orders has caused ambulance lead times to increase to three (3) and four (4) times the norm. Routine pricing and quoting practices for ambulances has evolved into a *"best estimate"* . For these reasons, SERVS will employ the Force Majeure option for ALL ambulance contracts and orders.   If the purchased vehicle(s) sold to purchase by dealer under this order is sold as a used or pre-owned vehicle, the unit is sold "AS IS" and "WITH ALL FAULTS".
