The conditional final plat of “Seven Oaks South II” consists of 92 lots on 23.36 acres located one-quarter mile south of New Orleans Street, one-quarter mile east of 9th Street. The property is presently zoned A-1 (Agricultural). On March 15, 2004, the City Council approved BAZ 1622 (on appeal) to change the zoning on 79.00 acres from A-1 to R-3S (RS-3), subject to the property being platted. This is the second phase of Seven Oaks South. The plat for the first phase, which contained 113 lots on 37.01 acres, was recorded in Tulsa County on July 23, 2008. The preliminary plat for the second phase, which showed 141 lots on 42.60 acres, was approved by the Planning Commission on March 13, 2008, subject to the attached checklist.

According to FEMA maps, none of the property is located in a 100-year floodplain area. Water and sanitary sewer will be provided by the City of Broken Arrow.
