Section 3. POLICYHOLDER STATEMENT:

The Policyholder or authorized representative (Policyholder) applies for a group insurance policy(s) through Dearborn Life Insurance Company.

The Policyholder represents and certifies that:

1. This application must be approved in writing by Dearborn Life Insurance Company. Issuing the insurance policy is evidence of approval. Coverage for insureds under the group policy is effective when the insured applies and is approved for coverage by Dearborn Life Insurance Company. The Policyholder will not collect premium from an insured who requires medical underwriting until Dearborn Life Insurance Company approves the insured's application for coverage; and
2. Dearborn Life Insurance Company will issue a policy only if Dearborn Life Insurance Company decides that the group is an acceptable risk based on Dearborn Life Insurance Company underwriting practices and procedures; otherwise Dearborn Life Insurance Company has no liability except to refund premium. The Policyholder must return to individual insureds any part of the premium paid by those insureds; and
3. The premium rates are contingent, based on the accuracy of insured eligibility data given to Dearborn Life Insurance Company by the Policyholder. Misstatements on an insured's application or failure by the Policyholder or insured to report new medical information before an insured's effective date of coverage may cause a change to the coverage or premium rate as of the policy effective date; and
4. The Policyholder and insureds are subject to all the policy terms and provisions and trust agreements, if applicable. They may be amended from time to time; and
5. If the Policyholder does not collect or pay premiums by the premium due date, the policy will terminate at the end of the policy's grace period; and
6. Even with the purchase of a disability policy, the Policyholder may be required to buy disability coverage under a state disability benefit act or law; and
7. The Policyholder will: a) send Dearborn Life Insurance Company applications of individual insureds prior to the eligibility date; b) give certificates to all insureds; c) report changes in the insured group to Dearborn Life Insurance Company; and d) keep records of insured eligibility.
8. The information given and statements made on this application are complete and correct. Misstatements or omissions of information may affect the validity of any insurance policy issued and cause the denial of an otherwise valid claim.
9. Statements made by the Policyholder are representations and not warranties. No statement made by any insured will be used in any contest unless a copy of the instrument containing the statement is or has been given to the insured or, in case of death or incapacity of the insured, to his beneficiary or personal representative.

This application and the payment of premium are consideration for any master policy and certificates issued. This application is part of any insurance policy issued. The authorized signature on this application is acceptance of the policy terms.
