- A. Public hearing, consideration, and possible action regarding BAZ 1943, Ross Property, 4.13 acres, A-1 to CG, northeast corner of Tucson Street and 9th Street

Brent Murphy presented the background saying BAZ 1943 is a request to change the zoning designation on a 4.13 acre tract from A-1 (Agricultural) to CG (Commercial)

General). This property is located on the northeast corner of Tucson Street and 9th Street, just south of the Creek Turnpike. Applicant is proposing to locate their business, “Green Country Reclaimed Materials, LLC” on the property.

Mr. Murphy said the property is presently unplatted and, according to FEMA maps, the southeast part of the property may be located within the 100-year floodplain of Broken Arrow Creek. The property is designated as Level 4 in the Comprehensive Plan and the CG zoning requested with BAZ 1943 is in accordance with the Comprehensive Plan in Level 4.

Brent Murphy said, based on the Comprehensive Plan, the location of the property, and the surrounding land uses, Staff recommends that BAZ 1943 be approved, subject to the property being platted. Staff has met with the applicant and briefed them on what is associated with the platting process.

Fred Dorrell asked if the applicant is present.

Adam and Cathy Ross, 6309 South 9th Street, Broken Arrow, OK said they are in agreement with the Staff report. Cathy Ross asked if there is a time frame for platting the property. Farhad Daroga said no.
