Mr. Larry R. Curtis, CFM
Plan Development Manager, City of Broken Arrow
200 S. First Street
Broken Arrow, OK 74012

Re: Tucson Village PUD Amendment, PUD 234

Mr. Curtis,
PUD 234 was approved by the Broken Arrow Planning Commission on March 12th, 2015 and later approved by the Broken Arrow City Council on April 7, 2015. After the initial submittal of the PUD the project went through a minor layout revision necessitated by the floodplain and creek crossings. As a part of that redesign a minor revision is necessary to the development area boundaries between the residential area, Development Area B, and the floodplain area, Development Area C.

We propose to replace the Development Area B & C legal descriptions within Exhibit A and the Exhibit B, Development Area Exhibit with the attached revised sheets.

Please let me know if you have any questions or concerns.

Respectfully,

Alan Betchan, P.E., CFM
President
