Purpose of Event Attendance: Public Input on Final Project Selection

Broken Arrow City Council Members and City Leaders will attend the second of three public input meetings scheduled in February 2018 to further gather critical input from citizens as they formulate a proposal for the general obligations bond vote later this year. The meetings are open to the public to allow citizens to review specifics of potential projects and assist in the selection of package propositions.

Renewing the Broken Arrow GO Bond means the citizens will benefit from these new projects such as streets, public safety, and parks -- with no tax increase.
