Brent Murphy presented the background for PUD-66F saying, Planned Unit Development (PUD)-66F is a request for a minor amendment to PUD-66 to reduce the side yard building setback line from 25-feet to 20-feet on corner lots and to establish the rear building line for interior lots to be 20-feet.

Mr. Murphy said the proposed development is located south of Kenosha Street, about one half-mile west of Oak Grove Road for 82 single-family lots on 31.37 acres. Between this proposed subdivision, Spring Hill at Forest Ridge, and the subdivision to the west, Wellstone II, there will be a 2.77-acre park. This park will be maintained by the Forest Ridge Homeowner's Association and will not be platted. The preliminary plat was approved on tonight's Consent Agenda.

Brent Murphy said the property is designated as Level 2 in the Comprehensive Plan. The change in the rear building line and side yard building line setbacks to 20-feet as presented in PUD-66F is considered to be in compliance with the Comprehensive Plan in Level 2. Staff recommends that PUD 66F be approved, subject to the property being platted and that the lots backing up to Kenosha Street have minimum 35-foot rear building line, according to the zoning ordinance.

Fred Dorell asked if the applicant is in agreement with the Staff report. Tim Terral, TEP, said yes, from the audience.

Fred Dorrell opened the public hearing and asked if anyone wished to speak to this item.

MaryAnn Coleston, 513 North 79th Street, said she lives in Forest Ridge and is not against this project. She said she wanted to make the Planning Commission aware of the flooding issues in this area. Ms. Coleston provided a PowerPoint presentation to the Commission showing pictures of flooding in the areas of Covington Creek and Adams Creek which reaches extreme levels. She said she has made the property owner, Mr. Robson aware of the flooding items and asked that he consider the current flooding issues when developing this development.

Fred Dorrell asked if anyone else wished to speak on this item. No one responded.
