Consideration, discussion, and possible approval of bids received and award of lowest responsible bid to Premier Truck (#2) for the purchase of one 66,000 gross vehicle weight (GVW) Tractor Trailer Cab and Chassis for the Lynn Lane Waste Water Treatment Plant

Anthony Daniel, Director of Utilities, said his department was seeking the Council's approval to purchase a GVW Tractor Trailer to haul sludge from Lynn Lane Plant to the landfill. He said this new unit would replace a 2006 International Motor Truck that was

showing age and wear/tear. He stated the purchase was fully funded. His staff worked with the purchasing department to send out bids to nine vendors. They received a total of 5 bids, and working with the fleet maintenance team, it was decided the best purchase would be the truck from Premier Truck for a Freightliner Tractor Trailer Cab. The lowest bid was from Summit Trucks, but as they were having problems that were well known, Mr. Daniel was requesting approval for the Freightliner Truck from Premier Truck (#2) for the price of \$116,135.

MOTION: A motion was made by Johnnie Parks, seconded by Scott Eudey.

Move to award the lowest responsible bid to Premier Truck (#2) for the purchase of one 66,000 GVW Tractor Trailer Cab and Chassis
