Tulsa, OK 74104-4243
918/579-4959 • Fax 918/579-4964

Dear Chief Moore:

Hillcrest Exercise & Lifestyle Programs (HELP) agrees to offer The City of Broken Arrow, an Oklahoma Municipal Corporation ('City') physical examination services to its employees. The physical examinations consist of the following components:

- Physical examination by licensed physician
- Pre-exam screening tests (hearing, vision, lung function, hemoccult)
- Laboratory tests (Chem 14, Lipid Group, CBC, UA Routine, including PSA 50 year and older)
- Chest X-Ray, 2 view
- Treadmill stress test for cardiac function

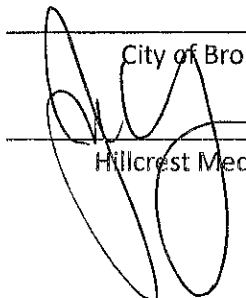

The services listed above have received a regulatory review which has resulted in the need to revise the 2017 pricing. We are now required to bill our services at no less than the 'Medicare allowable' rate.

Based on the revised pricing, the 'City' agrees to participate in these examinations on a biennial basis for the cost of \$586.00 per examination plus \$63.00 per each employee requiring PSA testing. HELP will invoice monthly and the 'City' agrees to pay monthly for these examinations services. By signing below, the 'City' agrees to the terms of the examination services, fees and payment.

If there are any details that you would like to discuss before signing, please call me at 918.579.1030. If not, please sign both originals and return one in the enclosed self addressed envelope by January 31, 2017. Thank you for the opportunity to continue to provide preventive examinations for your fire fighters.

Yours in Good Health,

Jerry Yang, Asst CFO
