Special Conditions:

Monthly baseload nominations are based on the previous year of historical usage unless otherwise noted from Buyer to Seller in writing on or before the 20th day of the prior supply month.

Incremental Volumes: All volumes outside of the total monthly baseload volumes will be bought/sold & priced at current market rate high/low for that month.

Option to Fix: Buyer retains the option to convert any volumes to a fixed price at any time during the term of this TC. A written Transaction Confirmation shall be executed by both parties to confirm the parties agreed upon terms.

Notice obligations: Buyer agrees to notify Seller of any circumstances that may affect the consumption of natural gas by Buyer or the delivery of natural gas. If Buyer fails to provide adequate information or time to take action to Seller, the Buyer would be responsible to cover any reasonably conservative estimates of the increased or decreased consumption.

Cancellation: Either party may cancel this "TC" with at least a 30-day written notice prior to last supply month of current "Delivery Period".

Renewal: At the expiration of the "Delivery Period", the terms and conditions contained in this "TC" agreement will auto-renew on a month-to-month basis. Monthly volumes will be based on prior year of historical usage and priced at current market rate high for that month unless a written notice from Buyer to Seller or Seller to Buyer is received at least 45 days prior to renewal date.
