

COVENANTS:

- Public Streets and General Utility Easements - The Owners/Developers do hereby dedicate for public use additional right-of-way along Kenosha Street as depicted on the accompanying plat, and do further dedicate for public use the utility easements as depicted on the accompanying plat as "Utility Easement" or "U/E", for the several purposes of constructing, maintaining, operating, repairing, replacing, and/or removing any and all public utilities, including storm sewers, sanitary sewers, telephone and communication lines, electric power lines and transformer, gas lines, water lines, and cable television lines, together with all fittings, including the poles, wires, conduits, pipes, valves, meters and equipment for each of such facilities and any other appearances thereon, with the rights of ingress and egress to and upon the utility easement for the uses and purposes aforesaid, provided however, the Owners/Developers hereby reserves the right to construct, maintain, operate, lay and re-lay water lines and sewer lines, together with the right of ingress and egress for such construction, maintenance, operation, laying and re-laying over, across and along the public streets and utility easements depicted on the plat, for the purpose of furnishing water and/or sewer services to the area included in the plat. The Owners/Developers herein impose a restrictive covenant, which covenant shall be binding on the Owners/Developers and shall be enforceable by the City of Broken Arrow, Oklahoma, and by the supplier of any affected utility service, that within the utility easements depicted on the accompanying plat no building, structure or other above or below ground obstruction shall be placed, erected, installed or maintained, provided however, nothing herein shall be deemed to prohibit drives, parking areas, curbing and landscaping or other similar improvement that do not constitute an obstruction.
- Paving and Landscaping Within Easement - The owner(s) of the lot shall be responsible for repair of damage to the landscaping and paving occasioned by the necessary installation of, or maintenance to, the underground water, sewer, storm water, gas, communication, cable television, or electric facilities within the easements depicted on the accompanying plat, provided however, that the City of Broken Arrow or the supplier of the utility service shall use reasonable care in the performance of such activities.
- Limits of No Access - The undersigned Owners/Developers hereby relinquish rights of vehicular ingress or egress from any portion of the property adjacent to Ash Avenue, Kenosha Street, and Main Street within the bounds designated as "Limits of No Access" (L.N.A.) on the Plat, which "Limits of No Access" may be amended or released by the Broken Arrow Planning Commission, or its successor, and with the approval of the City of Broken Arrow, Oklahoma, or as otherwise provided by the statutes and laws of the State of Oklahoma pertaining thereto, and the limits of no access above established shall be enforceable by the City of Broken Arrow, Oklahoma.
- Underground service cables and gas service lines to all structures which may be located on the lot in the subdivision may be run from the nearest gas main, service pedestal, or transformer to the point of usage determined by the location and construction of such structure(s) as may be located upon said lot; provided that upon the installation of such a service cable or gas service line to a particular structure, the supplier of service shall thereafter be deemed to have a definitive, permanent, and effective right of way easement on said lot, covering a five foot strip extending 2.5 on each side of such service cable or gas line, extending from the service pedestal, transformer or gas main to the service entrance on the on the structure. Owner shall be responsible for the protection of the underground service facilities located on the subdivision and shall prevent the alteration of grade or any construction activity which may interfere with electric, natural gas, telephone, or cable television facilities. The supplier of service shall be responsible for ordinary maintenance of underground facilities, but owner shall pay for damage or relocation of such facilities caused or necessitated by acts of owner of his agents or contractors.
- Addresses shown on this plat were accurate at the time this plat was filed. Addresses are subject to change and should never be relied on in place of a legal description.
- Mutual Access Easement - The Owner/Developer hereby establishes and grants to all Owners of lots, or parts thereof, in the subdivision, their respective Grantees, Tenants, Invitees, Guests, Successors and Assigns, a non-exclusive perpetual easement on, over and across such paved drives as may from time to time exist within the subdivision for the purpose of providing vehicular and pedestrian access and passage on, over and across the lots and to and from the public streets adjacent to the lots. Nothing herein shall be deemed to establish cross-parking rights.
