Re: Tactics Traffic Management Software and Yearly Maintenance Agreement

Gades Sales is pleased to provide you with the following quote per your request,

Tactics Central Management Software ver 3.2.1 4 user license 1-50 connected intersections	\$ 50,000.00
Siemens 360 Software plan	\$8,900.00/year <ul style="list-style-type: none"><li>• Discount applies to multi-year contracts</li></ul>

Siemens 360 Software agreement supports upgrades and updates to both Tactics and SEPAC traffic controller software.

Thank you for your continued partnership with Gades Sales Company. If you have any questions please feel free to give me a shout.

Thanks,

Mike Searle
