

Public Contract Application for Contractual Changes

Contract Change Order # 3

| Project Name: | Public Safety Training Facility - PD Down Range Building | Project Number: | 173002 |
|-------------------|--|----------------------|---------------------------|
| Project Location: | Public Safety Complex | Date of Application: | Thursday, August 23, 2018 |
| Contractor: | Magnum Construction, Inc. | Submitted By: | Robert Catcher |

Summary of Change in Scope of Work

The following scope of work consisting of work location, work description, established quantities, and timeline for completion has been reviewed and agreed upon by the contractor, the origin funding department, and the Engineering and Construction Department.

Change of Work Items Included in this Change Order:

- Reconciling Changes: Due to site conditions varying from design parameters, field adjustments of the plan quantities by the city contract
- 1) administrator was authorized. These changes in quantities are summarized on the attached "Project Final Quantities Report". The listed change order cost is to adjust the original contract value to the reflected installed contract value.

Change in Contractual Project Time:

1) Due to unforced situations resulting in change orders #1 & #2, the time of the contract shall be amended to 244 colander days; adding 124 colander days to the contract.
