*In the opinion of Bond Counsel to the City, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, interest on the Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations for tax years beginning prior to December 31, 2017. Furthermore, in the opinion of Bond Counsel, under existing law, interest on the Bonds is exempt from State of Oklahoma income taxation under present law. The Bonds will not be designated by the City as "qualified tax-exempt obligations" within the meaning of Section 265(b) of the Code. See "TAX MATTERS" herein.*

Such amounts will include certain costs of issuance.

### **Security for the Bonds**

Under state laws, cities and towns in Oklahoma cannot become indebted beyond the end of their Fiscal Year or for an amount in excess of the income and revenue provided in such Fiscal Year without authorization from the voters. Under Article X, Section 27, of the Constitution of the State of Oklahoma, cities may issue obligations upon approval by a simple majority of the voters voting in an election held for such purpose. Under Article X, Section 26, of the Constitution of the State of Oklahoma, municipalities may issue obligations in an amount such that the total aggregate net indebtedness issued under such section shall not exceed 10 percent of the net assessed valuation of taxable property within the municipality upon approval of 60 percent of the voters in an election held for such purpose. The Bonds constitute direct and general obligations of the City, payable as to principal and interest from ad valorem taxes which may be levied **WITHOUT LIMITATION AS TO RATE OR AMOUNT** on all taxable property within the City, excepting homestead exemptions, as prescribed in Article X, Section 26 and Section 27, of the Constitution of the State of Oklahoma.

Ad valorem taxes for bond payments are deposited into a sinking fund held by the City. The tax rate for sinking fund purposes is determined annually by ascertaining the actual revenue required for payment of principal and interest on indebtedness and judgments. Such total amount may then be reduced by any surplus from the prior fiscal year. A reserve for delinquent taxes is then added to the net requirements to derive the actual taxes to be levied. The City has traditionally levied a 5.00 percent delinquency. The actual levy amount is then apportioned by the total net assessed valuation to determine the appropriate tax rate for each taxpayer. Under state law, tax collections for a sinking fund cannot be placed in any fund of a City other than the sinking fund.

### **Tax Levy Collection Process**

Oklahoma Statutes require that each year the City make an ad valorem tax levy for a sinking fund which shall, with cash and investments in the fund, be sufficient to pay all the bonded indebtedness, interest and one-third of all outstanding judgments coming due in the following year.

After review and approval by the City Council, copies of the sinking fund estimates are submitted to the county excise board to determine the ad valorem tax levy appropriations. This submission is required to be made by August 27 of each year. The estimates are for the purposes of determining ad valorem taxes required to fund the sinking fund. The amounts contained in the Estimate of Needs are verified by the county excise board and, upon verification, the levies contained therein are ordered to be certified to the county assessor in order that the county assessor may extend said levies upon the tax rolls for the year for which the Estimate of Needs is being submitted. The county excise board further certifies that the appropriations contained in the Estimate of Needs and the millage rate levies are within the limitations provided by law. In accordance with Title 68, Oklahoma Statutes 2011, Section 3007, the county excise board may make adjustments to the Estimate of Needs as deemed appropriate.

Cities and counties in Oklahoma are limited to a total of ten (10) mills from ad valorem taxes for operating purposes between them. Traditionally, the Tulsa County and Wagoner County Excise Boards have not approved any millage for the City for operating purposes since the ten (10) mills have gone to Tulsa County and to Wagoner County for their respective operating funds.

For purposes of the general obligation bond and judgment debt service, however, there is no limitation as to the mill levy for general obligation bond debt issued under Section 26 or Section 27, Article X of the Oklahoma Constitution and judgments. The mill levy for both general obligation bond and judgment debt service is calculated by dividing the total net debt service requirements for the upcoming fiscal year for both general obligation bonds and judgments by the net assessed valuation of the City for the same year. See also "FINANCIAL INFORMATION-Net Assessed Valuation" herein.

State statutes make it mandatory for any unit of local government to annually provide for a tax sufficient to pay the principal and interest as they become due on any outstanding debt. If the proper officer whose duty it is to annually provide the necessary tax for debt service fails to do so, it becomes the duty of the county clerk, who serves as secretary of the county excise board. Failure by either the particular unit of government or the county clerk to levy the necessary taxes for debt service makes it the duty of the state auditor to certify the proper amount to the county treasurer who is then required to make the necessary levy.

The county assessor is required to file a tax roll report on or before October 1 of each year with the county treasurer indicating the net assessed valuation for each governmental entity within the county. This report includes the total assessed valuation for all real, personal and public service property (public service property assessed valuations are determined by the Oklahoma Tax Commission). The county treasurer must begin collecting taxes by November. The first half of taxes is due and payable on or before December 31. The second half becomes due and payable on or before March 31. If the first half is not paid by December 31, it all becomes due and payable on January 1. See also "FINANCIAL INFORMATION-Net Assessed Valuation" herein.

Ad valorem taxes not paid on or before April 1 are considered delinquent. The City of Broken Arrow, Oklahoma is primarily located in southeastern Tulsa County, the second most populated county in Oklahoma. A portion of the City also lies in Wagoner County adjacent to Tulsa County. The 2010 Census reports the population of the City at 98,850, an increase of 32.05 percent over the 2000 population of 74,859, making the City one of the fastest growing incorporated municipalities in the State. The 2010 Census populations for Tulsa County and Wagoner County were 603,403 and 73,085, representing an increase over the 2000 population of 7.12 percent and 27.12 percent, respectively.

The City was originally platted as a township in 1903 and operates under a Council-Manager form of government. The City encompasses approximately fifty-five square miles.

Budgetary compliance - The City prepares its annual operating budget under the provisions of the Municipal Budget Act (the Budget Act). In accordance with those provisions, the following process is used to adopt the annual budget.

- By July 1, the adopted budget is filed with the Office of State Auditor and Inspector

All funds of the City with revenues and expenditures are required to have annual budgets. The legal level of control at which expenditures may not legally exceed appropriations is the departmental level.

All transfers of appropriations between departments and supplemental appropriations require City Council approval. The City Manager may transfer appropriations within a department without City Council approval. Budget supplements must also be filed with the Office of State Auditor and Inspector.

In accordance with Title 60 of the Oklahoma State Statutes, all of the City's Title 60 Public Trusts (accounted for as enterprise funds and similar component units) are required to prepare an annual budget and submit a copy to the City as beneficiary. However, there are no further requirements such as form of budget, approval of the budget or definition of a legal level of control.

## **Municipal Services**

The City provides basic services affecting all its residents including but not limited to police and fire protection, parks, streets, water, sewer and refuse collection.

**Water System.** In April 2014, the City began treating raw water at its new Verdigris Water Treatment Plant which replaced the City's existing plant constructed in 1966. The new plant lies along the Verdigris River. Prior to its opening, the Oklahoma Ordnance Works Authority (OOWA) provided the City all of its water needs through a 36-inch water transmission line from the OOWA near Pryor, Oklahoma, a distance of about twenty-one miles. The new \$60 million plant is the largest membrane water treatment facility in Oklahoma and one of the largest in the United States. The new plant provides up to 20 million gallons a day (MGD) of treated water, with the option to expand to 40 MGD as the City's population grows. During warmer weather, the plant has a 28 MGD rated capacity. The City serves approximately 37,500 customers and averages about 12.8 million gallons of water a day and peaks around 27 MGD during the summer months. In addition, the City has two supplemental connections with the Tulsa Metropolitan Utility Authority which have the ability to take about eight (8) million gallons of water from the Tulsa Metropolitan Utility Authority. Currently, there are approximately 700 miles of water system mains in the City.

**Sewer System.** The sewer system of the City consists of approximately 720 miles of collection lines in the Haikey Creek, Adams Creek, Broken Arrow Creek, Elm Creek, Aspen Creek and White Church Creek watersheds. The Lynn Lane Sewage Treatment Plant is located on Broken Arrow Creek and treats effluent in the Broken Arrow Creek, Adams Creek, Elm Creek, Aspen Creek and White Church Creek watersheds. The Lynn Lane Plant was constructed originally in 1970. In 1972, the City and the City of Tulsa jointly constructed the Haikey Creek Sewage Treatment Plant that treats effluent from the Haikey Creek watershed. Approximately 35,600 customers are served by the City's sewer system.

**Solid Waste System.** The City collects solid waste from residential customers twice per week. The City currently serves approximately 34,600 customers on its solid waste system.

**Other Utilities.** Electrical power is supplied by AEP/PSO, natural gas by Oklahoma Natural Gas Company, and telephone service by Windstream Communications and Cox Communications

## Net Assessed Valuation

Since ad valorem taxes are correlated to the value of property within the City, trends in property valuations are an important economic indicator. The assessed valuation of property within the City is comprised of three components: real, personal and public service. The county assessor in each county determines the real and personal property values on an annual basis.

Public service valuations are compiled annually by the Oklahoma Tax Commission and set by the State Board of Equalization. Once the valuation is determined, an assessment rate is calculated to provide the assessed valuation on which the appropriate tax levy is determined.

In accordance with the Oklahoma Constitution, the assessment rate for real and personal property set by each county must be within a range established by the State Board of Equalization. As a result of passage of State Question No. 675 on November 5, 1996, the Oklahoma Constitution was amended to provide that the allowable range for real property be placed between 10.00 percent and 13.50 percent and the range for personal property be set between 10.00 percent and 15.00 percent. Beginning January 1, 1997, the percentage at which real or personal property is assessed within a county shall not be increased except upon approval by a majority of the registered voters of the county, voting at an election called for that purpose by a majority of county commissioners, or upon a petition initiated by not less than 10.00 percent of the registered voters of the county based on the total number of votes cast at the last general election for the county office receiving the highest number votes at the election. In no event shall the percentage be increased by more than one percentage point per year or increased in excess of the aforementioned assessment ranges for personal and real property. The percentage at which real or personal property is assessed within a county may be decreased within the limitations (assessment ranges) without approval of the voters of the county.

Also, as provided by State Question No. 675, all other property (primarily public service property) assessed by the State Board of Equalization shall be assessed at the percentage of its fair cash value, estimated at the price it would bring at a fair voluntary sale, at which it was assessed on January 1, 1996. Consequently, the assessment rates on public service property and on airlines and railroads included in the public service category were set at 22.85 percent and 11.84 percent, respectively.

The Constitution of the State of Oklahoma provides exemptions to real and personal property owners based on certain qualifications and guidelines. A residential homeowner is allowed a homestead exemption deduction equal to \$1,000 of net assessed valuation.

At a special election on September 14, 1993, the qualified electors of Tulsa County approved the exemption of personal property taxes on "household goods of the heads of families and livestock employed in support of the family" located within the County. The election was held pursuant to an amendment to the Constitution of the State of Oklahoma approved by the voters as State Question 648 on November 3, 1992, which gave each county the authorization to hold such an election. The exemption was effective beginning in 1994. Wagoner County voters also approved such exemption in 1998, effective in 1999.

Table 1 presents the historical net assessed valuation by county for the City from Fiscal Year 2009/10 through 2018/19. Net assessed valuation increased 38.88 percent during the period shown. The current assessment rates are 11.00 percent and 10.00 percent in Tulsa County for real and personal property, respectively. The rates in Wagoner County are 11.20 percent and 12.00 percent for real and personal property, respectively. The City's Net Assessed Valuation in the most recent year shows an increase of 6.24 percent.

### **Economic Development Notes**

In order to provide financing for the construction of a new Bass Pro Outdoor World ("Bass Pro"), the City in May 2004 assumed a note previously entered into between Bank of America, N.A. and Stone Wood Hills BP, L.L.C., a private developer. The taxable note is in the principal amount of \$20,300,000 and has a final maturity of November 1, 2025. The note is secured by an annual pledge of \$2,750,000 of sales tax revenues, subject to annual appropriation of such funds by the City Council and a mortgage on the property and building. The building housing Bass Pro is located on the Broken Arrow Expressway near Elm Street (161<sup>st</sup> Street). As of September 1, 2018, the principal outstanding on the note is \$10,688,037.

The Broken Arrow Economic Development Authority ("BAEDA") issued a taxable note on November 15, 2010 in the original principal amount of \$9,715,000.00 for the purpose of funding its costs under an Economic Development Agreement with Flight Safety International, Inc., and to fund certain expenditures in connection with the City's Downtown Development Plan. The note is secured by a pledge of the revenues from a 0.125 percent sales tax. The sales tax is subject to annual appropriation by the City Council. The note bears interest at a semiannual variable rate based upon LIBOR (6 month) plus 2.00 percent and is payable each April 1 and November 1 beginning April 1, 2011. Principal payments are made annually beginning on October 1, 2013 and the outstanding principal amount of the note is \$7,740,000 as of March 1, 2018.

### **Retirement Plans**

Each qualified employee is included in one of three retirement plans in which the City participates. These are the Oklahoma Municipal Retirement Fund, Oklahoma Firefighters Pension and Retirement System, and Oklahoma Police and Retirement System. The City does not maintain the accounting records, hold the investments or administer the firefighter or police retirement funds. The police and firefighter plans are statewide systems administered by the State of Oklahoma. The municipal employee's plan is administered by a separate board of trustees. Each of these plans are described in the Financial Statements and Supplementary Information June 30, 2017 with Independent Auditor's Report included herewith on Exhibit A.

As of June 30, 2017, the City’s contributions as a percentage of covered-employee payroll were: (i) 10.00 percent for the Oklahoma Municipal Retirement Fund; (ii) 14.00 percent% for the Oklahoma Firefighters Pension and Retirement System; and (iii) 13.00 percent for the Oklahoma Police Pension and Retirement System.

As of June 30, 2017, the plan fiduciary net position as a percentage of the total pension liability was: (i) 64.87 percent for the Oklahoma Firefighters Pension and Retirement System; and (ii) 93.50 percent for the Oklahoma Police Pension and Retirement System.

## RATING

Ratings on the Bonds have been applied for from Moody's Investors Service, Inc. If assigned, a rating is subject to withdrawal at any time; withdrawal of a rating may have an adverse effect on the marketability of the Bonds. For an explanation of the significance of the rating, an investor should communicate with the rating agency directly.

## TAX MATTERS

### Opinion of Bond Counsel

In the opinion of the Kiser Law Firm, PLLC, Edmond, Oklahoma, Bond Counsel, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, interest on the Bonds is (i) excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; such interest; however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations for tax years beginning prior to December 31, 2017. In rendering its opinion, Bond Counsel has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the City and others, in connection with the Bonds, and Bond Counsel has assumed compliance by the City with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code.

Bond Counsel has rendered its opinion under existing statutes and court decisions as of the issue date and assumes no obligation to update their opinions after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. Bond Counsel expresses no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the Bonds, or under state and local tax law.

### **State of Oklahoma Tax Exemption**

Pursuant to Title 68 of the Oklahoma Statutes 2011, Section 2358.5, interest on the Bonds is exempt from Oklahoma income taxation.

### **Financial Institutions**

The Code provides that commercial banks, thrift institutions and other financial institutions may not deduct the portion of their interest expense allocable to tax-exempt obligations acquired after August 21, 1986 (other than "qualified tax-exempt obligations"). **The Bonds will not be designated as "qualified tax-exempt obligations" for this purpose.**

### **Certain Ongoing Federal Tax Requirements and Covenants**

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the Federal government. Noncompliance with such requirements may cause interest on the Bonds to become included in gross income for Federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The City has covenanted to comply with certain applicable requirements of the Code to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code.

### **Miscellaneous**

Tax legislation, administrative actions taken by tax authorities, and court decisions, whether at the federal or state level, may adversely affect the tax-exempt status of interest on the Bonds under federal or state law and could affect the market price or marketability of the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

## **PURCHASE OF BONDS**

The Bonds are to be sold at a competitive sale on November 13, 2018. The Purchase Contract provides that the original purchaser(s) will not be obligated to purchase any Bonds if all such Bonds are not available for purchase. The original purchaser(s) may offer to sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the offering price stated on the inside cover page hereof. After the initial public offering, the public offering price may be changed from time to time by the original purchaser(s).

The City has entered into a number of continuing disclosure agreements in connection with its previously issued bonds, all of which have a 180-day filing deadline. As described below, during the last five years, the City has failed on occasion to satisfy the provisions of its continuing disclosure certificates to provide the Annual Report by the stated deadlines in such agreements. The Annual Report in such continuing disclosure agreements includes (i) the City's audited financial statements for the most recently ended fiscal year (the "Audited Financial Statements"), and (ii) annual updates to certain tables and financial information from the respective official statements (the "Other Financial Information and Operating Data"). For fiscal years 2013-2015, the Annual Reports were timely filed. The audited financial statements were not available by the required due date for filing the fiscal year 2016 and 2017 Annual Report; however, Partial Annual Reports were filed along with a "failure to file notice" as required.

**Audited Financial Statements.** For fiscal year 2012, the Audited Financial Statements were not filed on time. In addition, in such instance, the City did not file a "failure to file" notice with EMMA when due. A "failure to file" notice related to such late filing was made on November 6, 2014. The audited financial statements for fiscal year 2016 were not available by the required due date but the City filed a "failure to file notice" with EMMA on December 27, 2016. The audited financials were filed on May 5, 2017. The audited financial statements for fiscal year 2017 were not available by the required due date but the City filed a "failure to file notice" with EMMA on December 27, 2017. The audited financials were filed on July 24, 2018.

**Other Financial Information and Operating Data.** For fiscal year 2012, the City did not satisfy its obligation to file Other Financial Information and Operating Data on EMMA for applicable bond issues when due. In addition, in each instance, the City did not file a "failure to file" notice with EMMA when

due. On November 21, 2014, the City filed a notice on EMMA indicating, among other things, that, by way of cross reference, certain official statements relating to the City's bonds satisfied its obligation to file Other Financial Information and Operating Data for such fiscal years. Such official statements were not included under the EMMA category for annual financial information and operating data at the time of their filing, but they were so filed on October 28, 2016, at which time the City filed corresponding "failure to file" notices. Such official statements were dated September 19, 2012 and posted September 25, 2012 (for fiscal year 2012 data). The filed notice dated November 21, 2014 indicates that, at the time of such postings, such official statements contained the most up-to-date Other Financial Information and Operating Data for such fiscal years. The audited financial statements were not available by the required due date for filing the fiscal year 2016 Annual Report; however, a Partial Annual Report was filed on December 27, 2016 along with a "failure to file notice" as required and a Complete Annual Report was filed on May 5, 2017. The audited financial statements were not available by the required due date for filing the fiscal year 2017 Annual Report; however, a Partial Annual Report was filed on December 27, 2017 along with a "failure to file notice" as required and a Complete Annual Report was filed July 24, 2018.

**Continuing Disclosure Policies and Procedures.** The City Council adopted Continuing Disclosure Policies and Procedures on November 4, 2014 which are intended to assure compliance with all continuing disclosure obligations, including those related to the Offered Bonds.

The following Table below reflects the filing information for financial information for the City during the past five years:

#### **LEGAL MATTERS**

Legal matters incident to the authorization and issuance of the Bonds are subject to the approving certificate of the Attorney General of the State of Oklahoma and the legal opinion of the Kiser Law Firm, PLLC, Edmond, Oklahoma, Bond Counsel, as to validity and tax exemption. The opinion of Bond Counsel is expected to be in substantially the form of Exhibit C. Bond Counsel has not participated in the preparation of this Official Statement except for certain information under the headings "TAX MATTERS".

## CYBERSECURITY

The City, like many other public and private entities, relies on technology to conduct its operations. As a recipient and provider of personal, private, or sensitive information, the City faces multiple cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. To mitigate the risk of business operations impact and/or damage from cyber incidents or cyber-attacks, the City invests in various forms of cybersecurity and operational controls; however, no assurances can be given that such security and operational control measures will be completely successful to guard against cyber threats and attacks. The results of any such attack could impact business operations and/or damage City digital networks and systems and the costs of remedying any such damage could be substantial.

## LITIGATION

On August 8, 2017, The United States Court of Appeals for the Tenth Circuit (the “Court of Appeals”) issued a writ of *habeas corpus* vacating the conviction and sentence in the case of *Patrick Dwayne Murphy v. Terry Royal, Warden*, 866 F.3d 1164 (10<sup>th</sup> Cir. 2017), and, on November 9, 2017, the Court of Appeals denied a motion for rehearing *en banc* and issued an amended opinion, 875 F.3d 896 (10<sup>th</sup> Cir. 2017). In its opinion, the Court of Appeals concluded that the United States Congress has not disestablished the Creek Reservation that it established by treaty in 1866 (the “1866 Reservation”). As addressed in its opinion, the external boundaries of the 1866 Reservation include much of the eastern portion of the current State of Oklahoma, including the City as well as the rest of Tulsa County and Wagoner County. The Court of Appeals further concluded that, accordingly, the land within the external boundaries of the 1866 Reservation constitutes “Indian country” within the meaning of the federal Major Crimes Act (18 U.S.C.A. § 1151, *et seq.*). On February 6, 2018, the Attorney General of the State of Oklahoma filed with the Supreme Court of the United States (the “Supreme Court”) a petition for a writ of *certiorari* (*Mike Carpenter, Interim Warden v. Patrick Dwayne Murphy* No 17-1107 (S. Ct. filed Feb. 06, 2018)), which was granted by the Supreme Court on May 21, 2018 as to the question:

Whether the 1866 territorial boundaries of the Creek Nation within the former Indian Territory of eastern Oklahoma constitute an “Indian Reservation” today under 18 U.S.C. § 1151(a)?

A stay granted by the Court of Appeals on November 16, 2017 remains in effect pending the Supreme Court’s final disposition.

No assurance can be had as to the timing or ultimate disposition of this case. Although this case arises in a criminal law context, if the Supreme Court affirms the holding of the Court of Appeals, it may affect the application of civil law and have regulatory consequences within the same geographic territory, with numerous potential direct and indirect effects upon municipalities within such geographic territory, including the City. Such effects might include, but might not be limited to, an inability to levy and collect *ad valorem* taxes on certain property owned by members of the Creek Nation and a resulting need to increase the millage assessed on the remaining taxable property within the municipality to obtain the same tax revenues. Although, the direct and indirect impacts of such application upon the City’s overall financial conditions cannot be determined at this time, the City does not currently expect these to materially affect its ability to fully fund both scheduled debt service on its bonds, including the Offered Bonds, and its current operations, based upon its current fund balance reserves and ability to adjust future taxes. See “DESCRIPTION OF THE BONDS — Security for the Bonds” and “— Tax Levy Collection Process,” “FINANCIAL INFORMATION” and “INDEBTEDNESS.”

**Section 3. Provision of Annual Reports.** The City, as the “obligated persons” for purposes of the Rule, hereby agree to provide or cause to be provided to the MSRB in Prescribed Form annually not later than 180 days following the end of each fiscal year an Annual Report containing financial information and operating data with respect to the City and Appendix B hereto and the Audited Financial Statements as of the end of each fiscal year; provided, however, that if Audited Financial Statements are not available within 180 days after the end of the preceding fiscal year, unaudited financial statements will be provided as part of the Annual Report with Audited Financial Statements to be provided in a timely manner when they become available.

The Annual Report shall be provided at least annually notwithstanding a fiscal year longer than 12 calendar months. The City may change its current fiscal year but must promptly notify the MSRB of each such change.

All or any portion of the Annual Report may be provided by way of cross-reference to other documents previously provided to the MSRB.

**Section 5. Disclosure of Listed Events.** The City hereby covenants that it will disseminate in a timely manner, not in excess of ten (10) business days after the occurrence of the event, a Listed Event Notice to the MSRB in Prescribed Form. Notwithstanding the foregoing, notice of optional or unscheduled redemption of any of the Bonds or defeasance of any of the Bonds need not be given under this Disclosure Agreement any earlier than the notice (if any) of such redemption or defeasance is given to the owners of the Bonds. The City is required to deliver such Listed Event Notice in the same manner as provided by Section 3 of this Disclosure Agreement.

**Section 6. Duty To Update EMMA/MSRB.** The City shall determine, in the manner it deems appropriate, whether there has occurred a change in the MSRB’s e-mail address or filing procedures and requirements under EMMA each time it is required to file information with the MSRB.

**Section 7. Duties, Immunities and Liabilities of Dissemination Agent.** The City may, from time to time, engage or appoint an agent to assist the City in disseminating information hereunder (the “Dissemination Agent”). The City may discharge any Dissemination Agent with or without appointing a successor Dissemination Agent. If appointed, the Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and the City agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties thereunder, including the costs and expenses (including attorneys’ fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent’s negligence or willful misconduct. The obligations of the City under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

**Section 8. Termination of Obligations.** Pursuant to paragraph (b)(5)(iii) of the Rule, the obligation to provide Annual Reports, Audited Financial Statements and Listed Event Notices, as set forth herein, shall terminate if and when the City no longer remains an obligated person with respect to the Bonds, which shall occur upon either payment of the Bonds in full at maturity or by means of prior redemption or the legal defeasance of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the City shall give notice of such termination in the same manner as for a Listed Event Notice under Section 5.

**Section 9. Amendment.** Notwithstanding any other provision of this Disclosure Agreement, the City may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, without the consent of the Bondholders, under the following conditions:

- (1) The amendment or waiver may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law or change in the identity, nature or status of the City, or type of business conducted;
- (2) This Disclosure Agreement, as amended or with the provision so waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
- (3) The amendment or waiver does not materially impair the interest of holders of the Bonds, as determined either by parties unaffiliated with the City (which shall include the Paying Agent or nationally recognized bond counsel, or any other party determined by any of them to be unaffiliated), or by approving vote of holders of the Bonds at the time of the amendment or waiver.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented. In addition, if the amendment relates to the accounting principles to be followed in preparing Audited Financial Statements, (i) notice of such change shall be given in the same manner as for a Listed Event Notice under Section 5, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

**Section 10. Additional Information.** Nothing in this Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or Listed Event Notice, in addition to that which is required by this Disclosure

Agreement. If the City chooses to include any information in any Annual Report or Listed Event Notice in addition to that which is specifically required by this Disclosure Agreement, the City shall not have any obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or Listed Event Notice.

Section 11. **Failure to Comply.** In the event of a failure of the City to comply with any provision of this Disclosure Agreement, any Holder or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with their obligations under this Disclosure Agreement. A failure to comply under this Disclosure Agreement shall not be deemed an Event of Default under the Bond Ordinances, and the sole remedy under this Disclosure Agreement in the event of any failure of the Bond Ordinances or the City to comply with this Disclosure Agreement shall be an action to compel performance.

Section 12. **Beneficiaries.** This Disclosure Agreement shall inure solely to the benefit of the City, the Dissemination Agent, each Original Purchaser and Holders and Beneficial Owners from time to time of the Bonds and shall create no rights in any other person or entity.

Section 13. **Recordkeeping.** The City shall maintain records of all filings of Annual Reports, Audited Financial Statements and Listed Event Notices, including the content of such disclosure, the names of the entities with whom such disclosure was filed and the date of filing such disclosure.

Section 14. **Compliance.** The Issuer has failed to comply with previous undertakings within the last five years. Such failures are disclosed in the official statement.

Section 15. **Counterparts.** This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 16. **Choice of Law.** This Disclosure Agreement shall be governed by and construed in accordance with the laws of the State of Oklahoma, provided that to the extent this Disclosure Agreement addresses matters of federal securities laws, including the Rule, this Disclosure Agreement shall be construed in accordance with such federal securities laws and official interpretations thereof.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement, by an authorized representative, all as of the date first above written.

**FORM OF OPINIONS OF BOND COUNSEL**

**KISER LAW FIRM, PLLC**

**812 Glenlake Drive  
Edmond, Oklahoma 73013  
(405) 751-4299**

We have acted as bond counsel in connection with the issuance by the City of Broken Arrow, Oklahoma (the "Issuer") of \$10,860,000 General Obligation Bonds, Series 2018B, dated December 1, 2018 (the "Bonds"). We have examined the law and such certified proceedings and other papers as we deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation. We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement respecting the Bonds, except for certain information under the heading "TAX MATTERS", and express no opinion with respect to the adequacy or accuracy of any other information used in connection with the offering for sale of the Bonds.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Bonds are valid and binding obligations of the Issuer.
2. All taxable property within the territorial boundaries of the Issuer is subject to ad valorem taxation without limitation as to rate or amount to pay the Bonds. The Issuer has provided for the collection of an annual tax sufficient to pay the interest on the Bonds as it becomes due and also to constitute a sinking fund for the payment of the principal thereof according to law.
3. Interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations for tax years beginning prior to December 31, 2017. The opinions set forth in the preceding sentence are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code") that must be satisfied subsequent to issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The Issuer has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds.

We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

4. Interest on the Bonds is exempt from State of Oklahoma income taxation.

It is to be understood that the rights of the holders of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

Respectfully,

**KISER LAW FIRM, PLLC**

We have acted as bond counsel in connection with the issuance by the City of Broken Arrow, Oklahoma (the "Issuer") of (i) \$11,500,000 General Obligation Bonds, Series 2018C and (ii) \$1,000,000 General Obligation Bonds, Series 2018D, dated December 1, 2018 (collectively, the "Bonds"). We have examined the law and such certified proceedings and other papers as we deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation. We have not been engaged or undertaken to review the accuracy, completeness or sufficiency of the Official Statement respecting the Bonds, except for certain information under the heading "TAX MATTERS", and express no opinion with respect to the adequacy or accuracy of any other information used in connection with the offering for sale of the Bonds.

The opinions set forth in the preceding sentence are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code") that must be satisfied subsequent to issuance of the Bonds in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The Issuer has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds.

We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to DTC's Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

**Purchase of Ownership Interests.** Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

**Notices.** Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity of a series are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (or such other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

**Payments of, Principal, Premium, if any, and Interest.** Redemption proceeds, distribution, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participants and not of DTC, Paying Agent or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or Paying Agent. Disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to any series of the Bonds at any time by giving reasonable notice to the Issuer or Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, the Bond certificates are required to be printed and delivered as described in the applicable Ordinance.

The Issuer may decide to discontinue the use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof. See also "DESCRIPTION OF THE BONDS-Book Entry System – The Depository Trust Company " herein.
