

On behalf of ARTSOK-The Regional Arts Alliance of Broken Arrow I am happy to report that the initial design for Phase I of The Center for Arts, Innovation & Creativity has been completed by Selser Schaefer Architects and funding for Phase I construction and operations is now in place. We are excited about the opportunities the Center will provide for the children, youth and adults of the Tulsa metropolitan region.

Construction funding is made possible by \$2.6 million in vision funding and \$1.4 million from bond.

AVB plans to provide

1. Surveying the property where the existing Operations Center and old drive thru is located.
2. Demolition of the existing building and old drive thru
3. Donating and deeding the land area after demo of the surveyed space.

ArtsOK, Inc will oversee the management and day to day operations of the facility. Through fundraising efforts, \$1.5 million has been pledged for years 1-3 of operations and an additional \$1.4 million pledged in years 4-10 of operations for a total of \$2.9 million. Donors and amounts are in attached document.

Creative Arts Center Donor List
