BC sent copies of all previous correspondence along with a current dated offer letter. KP

10/5/18

The City received a letter from Linda Neal. It was a counter offer of \$10 per SF or for an even exchange of a driveway cut on Washington between Olive and the bridge. KP

11/2/18

I responded to the counter offer after discussing the offer with AM. He concurred that the City could not accept the counter offer as it was well above the appraisal. The request for curb cut is against the current design guidelines. You cannot have a curb cut within 250' of an intersection on an arterial road. Allowing the Neal's 5 days to reconsider. KP

12/10/18

The City sent a final condemnation letter to the Neal's as the City had received no further responses. KP
