Subject: Presidents day

Mr. Spurgeon per our discussion regarding vacation days, the Employee Advisory Committee would like to request that Presidents Day be added to the annual vacation schedule for city employees.

(History)

"Presidents' Day is an American holiday **celebrated** on the third Monday in February. Originally established in 1885 in recognition of **President** George Washington, it is still officially called "Washington's Birthday" by the federal government."

As we look back at the history and its importance in honoring our former presidents on this very important day, we also honor our current President as he leads our country forward into the future. We do appreciate your consideration regarding this important day.

Below are a list of cities/agencies and if they close for Presidents Day.
