EVENT INFORMATION

Name of Sponsoring Organization	Team Air Assurance
Event Organizer's Name	Tanner Culbreath
Name of Event	Ruts N Guts
Event Date	Dec 08, 2018
Estimated Event Attendance	525 people
Describe the method used to estimate attendance. If a private group was utilized to collect data through surveys or other methods, include their information.	We had 484 participants for the weekend. We also had out of town family/coaches/team mechanics/etc that attended with the racers. We also had non racing spectators from Tulsa and the surrounding region (not a lot, but a few).
Describe the advertising utilized in the promotion of the event. If grant funds provided for advertising, please attach receipt/invoice copies	We advertised the event through the normal social media channels, through a nationally followed blog/podcast (cxhairs.com), and through a local magazine (Oklahoma Sports and Fitness). There was also an appearance on Good Day Tulsa the week of the event.
Describe any press or media coverage about the event. Include press/media outlet and description of coverage	There were about 5 national level photographers that were shooting photos for different teams and brands, we had USA Cycling support with live twitter feed of the event, two days of articles and photos in CXMagazine.com (due to media presence), and two local news stations that were onsite to get an idea and grasp of the event's goals and purpose. CXHairs.com also put out a race recap video of our Saturday C1 event. He was probably our biggest presence (in the world of Cyclocross) that we had that day. He is well known nationally. Our youtube recap that he posted has over 4,300 views.
