BAZ-2029 is a request to change the zoning designation on 5.10-acres from A-RE (Annexed-Residential Estate) to RE (Residential Estate). The unplatted property is located one-third mile north of New Orleans Street ( $101^{\text {st }}$ Street), one-quarter mile west of $23^{\text {rd }}$ Street ( $193^{\text {rd }}$ E. Avenue/County Line Road).

Applicant is proposing to sell a two-acre portion of the property associated with BAZ-2029 and has submitted a lot split (BAL-2053) and lot consolidation (BAL-2054CB) request in conjunction with the rezoning request. The property currently consists of two, 2.55 -acre lots. With the lot split, 0.55 -acre will be split from the south parcel, and then consolidated with the north parcel resulting in a 3.1-acre parcel and a 2.0 -acre lot.

The property was assigned A-RE when it was annexed into the City of Broken Arrow in 2000. In the RE district, the minimum lot size is 24,000 square feet and the minimum lot frontage is 175 feet. The current lots and the resulting lots meet the minimum lot size and lot frontage requirements in accordance with the Zoning Ordinance for the RE district. As part of the lot split process, right-of-way and utility easements will need to be dedicated along the street frontages in accordance with the Subdivision Regulations for the entire 5.10 acres. Three other properties within the neighborhood have been rezoned from A-RE to RE between 2007 and 2016.
