OWNER MAILING ADDRESS:	2935 n lions Dr. Broken Arrow OK 74012
ADDRESS OF PROPERTY WITH DRAINAGE PROBLEM:	2935 n lions Dr. Broken Arrow OK 74012
LOCATION OF DRAINAGE ISSUE ON PROPERTY:	Backyard

DESCRIPTION OF PROBLEM: (*PHOTOS SHOULD ACCOMPANY APPLICATION)

Since my property was built we have had water flooding issues in my backyard, seems like I get water coming from the property located on the west side. Over time seems like the grading on my property has shifter because i always have water running in my backyard, it almost seems like a natural spring is on the property on the west side of me because is a never ending stream.I will attach some pictures as well. Problem is so severe that we can not enjoy our backyard as a family. I recently learned that the problem is much bigger than what is going on at my property. Other neighbors are affected by the same problem as well, and other neighbors even have their sidewalk with a constant stream to the point that algie starts to build (Hazards for pedestrians). I really appreciate your help and i thank you for taking this problem into consideration.
