Mr. Ethan Edwards, PE
Director of Engineering and Construction
City of Broken Arrow, Oklahoma
485 North Poplar Avenue
Broken Arrow, Oklahoma 74012

Subject: City Project No. 195427A1 Battle Creek Golf Course Packaged Irrigation Pumping System
Procurement
Recommendation of Award for Project 195427A1

Dear Mr. Edwards:

A total of three bids were received from properly prequalified Packaged Irrigation Pumping System Suppliers. The summary of the bids received for Project No. 195427A1, Battle Creek Golf Course Packaged Irrigation Pumping System Procurement, on December 2, 2020 is as follows:

Bidder	Base Bid Amount
Professional Turf Products	\$140,843.00
Motor Controls, Inc.	\$149,780.00
EFI-Solutions	\$265,888.00

Carollo Engineers, Inc. has analyzed Professional Turf Products bid documents and found them to be technically complete with no apparent irregularities. Professional Turf Products represents a pre-qualified manufacturer (Watertronics, Inc.) to supply the Packaged Irrigation Pumping System for the City of Broken Arrow. We have reviewed the complete bid package for Professional Turf Products submitted through QuestCDN and have found their bid to be competitive and appropriate for the intended work. Professional Turf Products have not listed any exceptions to the Contract Documents

Based on the above, Carollo recommends that Professional Turf Products bid be accepted with no exceptions as responsive for a total amount of \$140,843.00. The Contract Documents take precedence over any contract language submitted by Professional Turf Products with the bid.

Mr. Ethan Edwards, PE
Director of Engineering and Construction
City of Broken Arrow, Oklahoma
