**RE: Sole Source Documentation**

Dear Captain B. Tener,

This letter confirms that Tesla, Inc. is the sole source manufacturer of the Tesla Model Y. All new Tesla vehicles are sold exclusively through our Tesla stores, website, or corporate office. The Model Y Long Range AWD currently has an EPA est. 326 mi range.

Pricing is standardized and unified throughout the USA, for all new Tesla vehicles.

Warm regards,

A handwritten signature in black ink that reads "Troy R. Jones". The signature is written in a cursive, flowing style.

Troy Jones, Vice President, North America Sales
