**Broken Arrow City Council
Meeting of: 07-15-2024**

Title:
Approval of and authorization to execute a renewal of the Enterprise Enrollment Agreement and relevant Amendment with Microsoft Corporation for Microsoft software, products, and licenses through SHI

Background:

The City continues to use Microsoft Server and Office products and enrolled in the Microsoft Enterprise program. The Enterprise Agreement allows Staff to simplify the Microsoft licensing process while providing city employees with the latest software products that Microsoft has to offer.

The renewal is for an additional three (3) years of the existing contract that was signed in September 2015. This renewal covers the period from August 1, 2024 through August 31, 2027. The Contract will not renew (or continue in effect) in any subsequent year that the City Council fails to appropriate and encumber funds for this specific purpose. Also, it is anticipated there are sufficient unencumbered funds available to pay the entirety of this agreement if necessary.

Year 1: \$374,383.51

Year 2: \$374,383.51

Year 3: \$374,383.51

Section 2-27 of the Broken Arrow Code of Ordinances provides for exceptions to formal competitive bidding. It provides for the purchase of supplies, materials, equipment or contractual services when purchased at a price not exceeding a price set by the state purchasing agency or any other state agency authorized to regulate prices for things purchased by the state or from purchasing consortiums. This purchase meets that criteria. Staff recommends that the Council approve the Enterprise Enrollment Agreement and the relevant Amendment and

authorize its execution.

Cost: \$1,123,150.53

Funding Source: Department Budgeted Maintenance

Requested By: Scott Carr, IT Director

Approved By: City Manager's Office

Attachments: Attached

Recommendation:

Approve and authorize execution of renewal of the Enterprise Enrollment Agreement and relevant Amendment with Microsoft Corporation for Microsoft software, products, and licenses through SHI
